

The California State University Conflict of Interest Code

The Political Reform Act (Government Code Sections 81000, *et seq.*) requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission (FPPC) has adopted a regulation (2 California Code of Regulations Section 18730) that contains the term of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices designating positions and establishing disclosure categories shall constitute the conflict of interest code of the California State University.

Individuals holding designated positions in the Office of the Chancellor, Trustees, and any officials who are determined to manage public investments within the meaning of Government Code Section 87200 shall file their statements of economic interests with the FPPC Conflict of Interest filing officer at the Office of the Chancellor. Individuals holding designated positions at any campus shall file their statements of economic interests with the FPPC Conflict of Interest filing officer at the respective campus. The filing officer will make the statements available for inspection and reproduction. (Government Code Section 81008.) Upon receipt of the Statements (Form 700) filed by Trustees, except ex-officio members who serve as such due to their elected state offices and are excluded by Government Code Section 87302(b), and upon receipt of the Statements (Form 700) for any officials who are determined to manage public investments within the meaning of Government Code Section 87200, the Office of the Chancellor shall make and retain a copy and forward the original of these statements to the Fair Political Practices Commission.

NOTE: Authority cited: Sections 81008, 87300, and 87306, Government Code. Reference: Section 87302, Government Code.

CSU CONFLICT OF INTEREST DISCLOSURE CATEGORIES

INTRODUCTION

For designated employees of a campus of the California State University, “the campus” shall mean the campus of the employee’s service.

For designated employees in the headquarters office, “the campus” shall mean each campus of the California State University including the headquarters office or any or all of these.

Each designated employee is assigned to one or more of the following disclosure categories and must disclose reportable financial interests in each category assigned.

Designated employees need not report any investment in a business entity or real property worth less than \$2,000, or any source of income, including gifts, loans and travel payments, which aggregated less than \$590 (if a gift, less than \$50) during the calendar year prior to filing, beginning January 1, 2023. An interest in real property used as the designated employee’s principal residence need not be reported.

CATEGORY "1"

Interests in real property located within two miles of the campus at which the designated employee works, or within two miles of land owned or used, or proposed for acquisition or use by the campus.

CATEGORY "2"

Investments and business positions in business entities and income, including gifts, loans, and travel payments, from sources of the type which, within the last two calendar years, have contracted with the California State University to either (a) supply goods or services, and/or (b) perform construction work. This disclosure is limited to the types of contracts over which the designated employee has authority or influence.

CATEGORY "3"

Interests in real property located within the State of California.

CATEGORY "4"

All investments and positions in business entities, and income, including gifts, loans and travel payments, from any business or nonprofit entities (other than an entity deemed by the FPPC as exempt under FPPC regulation 18755) which will be providing funds, or support for the research project for which the filer is the principal investigator. (The required disclosure shall be made on FPPC Form 700-U).

CATEGORY "5"

Investments and business positions in any business entity or income, including gifts, loans, and travel payments, from sources of the type which, within the last two calendar years, have contracted with the California State University to purchase goods or services, including agricultural commodities or other products, which are sold by the campus.

CATEGORY "6"

Consultants and new positions shall be included in the list of designated positions and shall disclose pursuant to the broadest disclosure category in the code subject to the following limitation:

The Chancellor or President as appropriate may determine in writing that a particular consultant/new position, although serving in a "designated position", is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in this category "6". Such written determination shall include a description of the consultant/new position's duties and based upon that description, a statement of the extent of disclosure requirements. The Chancellor or President's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code. (Gov. Code Sec. 81008)

New positions shall be recorded and maintained on an Interim Disclosure until the conflict of interest code is updated to formally include the new positions on the official list of designated positions.

CATEGORY "7"

All interests in real property, all investments, all income, including gifts, loans and travel payments, and business positions.
