Subject: 2001 CSU Statistical Abstract

Enclosed are your requested copies of the 2001 CSU Statistical Abstract (covering CY 2000/01) for distribution to your campus planners, analysts, and public affairs officers. Your institutional research office also has been sent a copy. In the past, this office has served as the administrative archive for the annual publication.

The *Abstract* is a comprehensive digest of CSU statistics compiled by the Analytic Studies Office of Academic Research of the California State University, Chancellor's Office. It summarizes data on student characteristics, academic and support programs, access, retention, and graduation, as well as data on CSU finances, information resources, facilities, and human resources. The current edition lists statistics through July 2001 to the extent they were available at the time of publication.

I hope you find the *Abstract* a useful resource. If you or any of your staff have any questions about the content of the *Abstract* or comments about ways to enhance it, please contact Dr. Philip Garcia at (562) 951-4764 or [pgarcia@calstate.edu](mailto:pgarcia@calstate.edu).

Please feel free to browse the ASD Internet website (<http://www.calstate.edu/as/abstract.shtml>) for additional details and current information on CSU students (see *Statistical Reports*) as well as an electronic copy of the *Abstract*.
