Subject: 2003-2004 Enrollment Planning and Reporting: Preliminary 2003-2004 Enrollment Estimates

As we continue to consider issues regarding budget development and enrollment demand at our August Executive Council meeting, it will be useful to have information about summer 2003 enrollments in state-support and in special session, developing fall 2003 enrollments, and college-year enrollment estimates.

By August 15, 2003, please complete Attachment A and fax it to Assistant Vice Chancellor Marsha Hirano-Nakanishi, at 562-951-4837 (fax number).

When CY 2002-2003 enrollment reports are available at the CSU system website, probably in late July or early August, forms for completion by the campus' Opening Fall reporting date and the ERS/APDB data transmission schedule will be provided.

If you have any questions about the attachment or the enrollment planning and reporting process, please contact Assistant Vice Chancellor Marsha Hirano-Nakanishi, mhirano-nakanishi@calstate.edu, 562-951-4767, or Ms. Sandra Cooper, scooper@calstate.edu, 562-951-4771.

2003-2004 State-Supported Instruction Estimates

Please provide headcount and FTES estimates for all state-supported instruction -- excluding the enrollments of matriculants enrolled out-of-country in international programs and excluding space-available enrollments through extension (to preclude double-counting with Extension and International Program enrollments reports). Please provide additional analyses to support your estimates or proposals if they depart from historical trends.
