

**The California State University
Student Services Directory Update-2006-07
Academic Year**

Campus: _____

Public Access Phone: _____

Public Email Address: _____

Please provide the name of the director of each area and the preferred public access phone number. This information will be published and distributed to high school and community college counselors this fall. Because some program directors may not wish to handle information calls, please list the numbers to be used for public access contacts.
