DATE: November 14, 2006

TO: CSU Presidents

FROM: Gary W. Reichard 
Executive Vice Chancellor and Chief Academic Officer
Academic Affairs

RE: Recommendations for 2007 Honorary Degrees: Due December 13, 2006

This memorandum is to serve as the annual call for campus recommendations for the award of honorary doctoral degrees by the Board of Trustees of the California State University. Attached are current guidelines and a list of previous recipients of CSU honorary degrees.

Two recommendations and two honorary degree awards are allowed for each CSU campus. Please submit your campus recommendations, along with 35 copies of supporting information and documentation to Dr. Christine Hanson, Interim Dean, Academic Program Planning. We are asking that campus recommendation packets arrive no later than **December 13, 2006**.

Recommendations will be prepared and sent to the Trustee Subcommittee on Honorary Degrees for their review in preparation for the January 23-24, 2007 Board of Trustees meeting. The timing of the Board review of recommendations is intended to facilitate planning for spring commencements. Events other than commencement exercises or academic convocations may be appropriate occasions for the conferral of honorary degrees, but only in extraordinary circumstances.

It is particularly important that each set of nomination materials establish and document a solid, compelling argument for the award of an honorary doctorate by the California State University. Please include a current curriculum vitae (or comparably complete biographical information) on each nominee. The Board has suggested that letters of endorsement for particular nominees not be solicited because that activity could place the Board, the system, and the campus in a difficult position if the Board does not approve the nomination. After the Board has approved a nomination and the nominee has accepted, the campus is free to collect letters of congratulation.

Recommendations for 2007 Honorary Degrees: Due December 13, 2006

November 14, 2006

Page 2 of 2

The Trustees have asked that the campus adhere closely to the enclosed guidelines for honorary doctorates. If a nomination would require an exception to the guidelines, please obtain the Chancellor's approval *before* submitting the nomination.

The Board would appreciate your including the following information in your letter of nomination:

- The name of the nominee and a brief summary of the reasons for putting forth this nomination
- If the nominee has a well-established relationship with the campus, please provide a brief description of the nature of the relationship
- The membership and selection process for the campus committee that reviewed the nomination (Note: The current procedures make explicit the requirement for consultation with Executive Committee of your campus Academic Senate regarding the composition of the campus review committee.)
- The event at which the degree is to be conferred
- Whether the campus prefers that the degree be awarded:
 - (i) in the name of the California State University or
 - (ii) in the names of the California State University and the campus

Please have all 35 copies of the nomination letter and supporting materials three-hole punched, but do not place them in binders or folders. Chancellor's Office staff will assemble all nomination materials in binders.

As we all recognize the need for the strictest confidence in dealing with campus nominations, I assure you that you will have our full cooperation in maintaining the necessary confidences. If you have any questions about this process, please contact me at (562) 951-4710 or Dr. Hanson at (562) 951-4672 or chanson@calstate.edu.

**GUIDELINES FOR THE AWARDING OF HONORARY DEGREES
THE CALIFORNIA STATE UNIVERSITY**

Approved by the Board of Trustees on January 24, 1996

I. Policy

- A. Honorary Degrees shall be awarded by the California State University, but only at the doctoral level.
- B. All honorary degrees shall be conferred by the Board of Trustees of the California State University, in the name of the California State University or in the names of the California State University and a campus.
- C. The Board of Trustees shall determine the number of honorary degrees to be awarded in any academic year. Normally, the Board will consider no more than two recommendations from each campus in an academic year, plus additional recommendations which may be submitted by or through Board members and the Chancellor during the same period.
- D. The following categories of honorary degrees shall be recognized for conferral by the Board of Trustees:
 - 1. Doctor of Fine Arts (D.F.A.)
 - 2. Doctor of Humane Letters (L.H.D.)
 - 3. Doctor of Laws (LL.D.)
 - 4. Doctor of Letters (Litt.D.)
 - 5. Doctor of Science (Sc.D.)

Other categories may be proposed to the Board for consideration; however, the Board will not authorize degree designations which normally are identified as earned doctorates.

II. Purposes for Which Honorary Degrees May Be Conferred

- A. To recognize excellence and extraordinary achievement in significant areas of human endeavor, within which are embodied the objectives and ideals of the California State University.
- B. To honor meritorious and outstanding service to the California State University, collectively, or to its campuses, individually; to the State of California; to the United States; or to humanity at large.

- C. To recognize men and women whose lives and significant achievements should serve as examples of the California State University's aspirations for its diverse student body.

III. Criteria for the Awarding of Honorary Degrees

- A. Honorary degrees may be awarded to recognize achievements in all parts of the world. Honorary degrees awarded should represent an appropriate balance between local and non-local, and academic and non-academic recipients, and should represent a wide diversity of fields of endeavor.
- B. Nominees for honorary degrees must be distinguished in their respective fields, and the eminence of persons nominated must be widely recognized. Nominees must have demonstrated intellectual and humane values that are consistent with the aims of higher education, and with the highest ideals of the person's chosen fields.
- C. Service or benefaction to the University do not in themselves justify the awarding of honorary degrees. However, nothing in these criteria shall preclude nominees who are benefactors of the California State University.

IV. Limitations on Eligibility

Honorary degrees shall not be awarded to:

- A. Incumbent members of the Board of Trustees of the California State University
- B. The incumbent Chancellor of the California State University
- C. Incumbent campus Presidents of the California State University
- D. A person who already has been awarded an honorary degree by the California State University
- E. All incumbent elected officials.

V. Procedures for Selecting Honorary Degree Recipients

In all steps of these procedures, utmost care is to be taken to ensure confidentiality. A breach of confidentiality could seriously embarrass the California State University and those individuals under consideration for the receipt of an honorary degree.

- A. Recommendations of persons to receive honorary degrees are encouraged from any member of the California State University community, including Trustees, the Chancellor, Presidents, faculty, students, administrative staff, alumni,

campus Advisory Board members and other friends of the California State University. Such recommendations may include the category of honorary degrees believed appropriate (para. I.D.).

- B. Recommendations originating in any of the campus communities shall be submitted through the campus President. The submission shall note whether the degree is to be conferred only in the name of the California State University or in the names of the California State University and the campus. Recommendations originating elsewhere within the California State University community at large shall be submitted through the Chancellor.
- C. Each campus President, after consultation with the Executive Committee of the campus Senate, shall establish a committee, including faculty representation, to review recommendations and to assist in the development and compilation of materials in support of nominations to be forwarded. Following appropriate consultation with this committee, the President shall select no more than two nominations to be forwarded to the Chancellor in any given academic year.
- D. The Chancellor, in turn, shall forward all nominations, with appropriate comments, as desired, to a separately constituted Subcommittee on Honorary Degrees of the Committee on Educational Policy, according to a schedule to be established by the Board.
- E. The Subcommittee on Honorary Degrees shall be chaired by a member of the Committee on Educational Policy who shall be named by the Chair of that Committee. The Subcommittee shall be comprised of:
 - 1. One additional Trustee (other than the Chair of the Subcommittee) to be named by the Chair of the Board
 - 2. The Chancellor, or designee
 - 3. Two Presidents, to be named by the Chancellor
 - 4. The following representatives, to be appointed by the Chancellor following consultation with the respective agencies shown in parentheses:
 - a. Two faculty (the Academic Senate, CSU)
 - b. One alumnus (California State University Alumni Council)
 - c. One student (California State Student Association)
- F. The Subcommittee on Honorary Degrees, meeting in executive session, shall review all nominations received, and shall forward to the full Committee on Educational Policy each nomination with the Subcommittee's notation of

“recommended” or “not recommended,” using the policies and criteria set forth in these Guidelines as the bases for the Subcommittee’s determinations.

- G. The full Committee on Educational Policy, following similar procedures, shall forward to the full Board for final consideration no more than two nominations per campus and those nominations originating with the Board and/or the Chancellor, indicating in each case the full Committee’s determination of “recommended” or “not recommended.”
- H. The Board of Trustees, meeting in executive session, shall make the final determination in each case, and will, by virtue of its exclusive authority in this matter, “award” the degree in the category it considers most appropriate.

VI. Conferral of Degrees

- A. Honorary degrees may be conferred during any California State University function that the Board of Trustees considers appropriate.
- B. Normally, if the degree is to be conferred only in the name of the California State University, the Chair of the Board of Trustees, the Chancellor, and the campus President, where appropriate, will participate in the conferral ceremony as follows:
 - 1. When a campus is involved:
 - a. The Chair of the Board of Trustees (or designee) will read the Citation
 - b. The Chancellor, if present, or the campus President will confer the degree
 - c. The campus President (or designee) will hood the degree recipient
 - 2. When a campus is not involved:
 - a. The Chair of the Board of Trustees (or designee) will read the Citation
 - b. The Chancellor (or designee) will confer the degree.
 - c. The Vice Chair of the Board of Trustees (or designee) will hood the degree recipient
- C. If the degree is to be conferred in the names of the California State University and the campus, the Chair of the Board of Trustees (or designee) will participate in the conferral ceremony. The campus President (or designee) will normally confer the degree.

Honorary Degrees Conferred by the CSU

<u>Recipient</u>	<u>Degree</u>	<u>Campus</u>	<u>Date</u>
1. John F. Kennedy	Doctor of Laws	San Diego	June 6, 1963
