**Subject:** **Twenty-Fourth Annual CSU Student Research Competition**

The Twenty-Fourth Annual California State University Student Research Competition will be held April 30th and May 1st, 2010, at San José State University. This system-wide competition will showcase excellent research conducted by CSU undergraduate and graduate students in the full range of academic programs offered by the CSU. Student participants will make oral presentations before juries of professional experts from major corporations, foundations, public agencies, and colleges and universities in California.

The guidelines for the competition are similar to those in effect in past competitions. Cash prizes will be awarded for the best presentations in each category of the competition. Please note that students are encouraged to present and discuss creative projects in the Creative Arts and Design category; guidelines for entrants in this category appear under "Competition Guidelines" in Attachment 1.

A campus may deliver a maximum of ten presentations. The San José State steering committee will accept only those submissions endorsed by you as campus coordinator.

campus planning committees have endorsed a few general guidelines and procedures, creativity in designing a local competition that best meets the needs of your campus is encouraged.

**Attachment 1** is a sample announcement of the competition. Campus-specific information needs to be added: your name and telephone number, campus deadlines, local competition dates, any campus provisions for defraying students' travel expenses, etc.

**Attachment 2** is a student delegate registration form. A copy of this form should be completed by each student selected by your campus as a delegate to the statewide competition and then attached to the five-page summary of the student's research. **We shall be e-mailing you a Rich Text Format version that can be filled out on a computer, saved, and printed.**

This year only one copy of each student's delegate registration form and written research summary, should be e-mailed in sufficient time to arrive at the San José State campus no later than **March 12, 2010. We are asking that the registration form be prepared in either MS-Word or Rich Text Format and the research summary as a pdf.** The forms and summaries for all students proposed for your campus should be e-mailed together to:
