**Subject: Systemwide Health Services Survey**

In accordance with Executive Order No. 943, *Policy on University Health Services*, the California State University (CSU) Office of the Chancellor established the CSU Health Services Advisory Committee to ensure operational effectiveness and efficiency, to ensure compliance with management and regulatory policies, and to reduce risk exposure. The advisory committee is charged with several responsibilities, including the development of a campus survey, which must be completed annually across the system.

The 2012-2013 Health Services Survey is attached and will be utilized to develop effective campus health services policies that respond to Executive Order No. 943. The survey is divided into two components, one for Student Affairs specific to Student Health Service Centers and the second for Academic Affairs for health related academic programs. Please complete the attached form, utilizing additional forms as necessary and return by September 1, 2013 to [ssanders@calstate.edu](mailto:ssanders@calstate.edu). If you have any questions regarding this survey please contact Mr. Ray Murillo, Associate Director, Student Programs, Student Academic Support, at (562) 951-4707 or [rmurillo@calstate.edu](mailto:rmurillo@calstate.edu) or Dr. Sabrina Sanders, Assistant Director, Student Programs, Student Academic Support, at (562) 951-4693 or [ssanders@calstate.edu](mailto:ssanders@calstate.edu).
