As of January 1, 2014, SB 290 (passed into law October, 2013) provides a one-year of nonresident tuition exemption to be used within two years for former military service members who have resided in California for more than one year prior to being honorably discharged from active federal service. To verify that the potential student or student veteran is eligible for section 68075.5, campuses are encouraged to use the DD 214, Certificate of Release or Discharge from Active Duty, to meet evidential requirements in accordance with Title V, section 41906, Evidence Required for Application of Statutory Exceptions to Non-Resident Tuition Classification. (b) (1) Except as provided for in subdivision (c), a student enrolled, or intending to enroll, at a campus of the California Community Colleges, or as an undergraduate at a campus of the California State University, who was a member of the Armed Forces of the United States stationed in this state on active duty for more than one year immediately prior to being discharged shall be exempt from paying nonresident tuition for up to one year if he or she files an affidavit with the institution at which he or she is enrolled, or intends to enroll, stating that he or she intends to establish residency in California as soon as possible.
