   A. DNP Legislation
      1. Focus now is on the cost of the program with an estimated cost of $21,000 for a 12 month program (similar to the DPT)
      2. Enrollment growth would be handled from state and fees
      3. Goal is to start regional DNP Programs that would be collaborative ventures among CSU nursing programs

   B. AB1295
1. Community Colleges have a stellar record of producing RNS so there is legislation proposed with a 15 unit maximum for their graduates to complete the BSN degree at a CSU campus
2. ADN not to be imposed on the CSU at this time- the legislation is slowed down for now but the issue of ADN graduates entering the CSU and not repeating any courses remains an issue

C. There is an additional 1 million dollars in the CSU for allied health programs (clinical lab sciences) with 1:1 matching from individual campuses to increase the number of graduates and an RFP is now out to individual campuses

5.3 Darlene Yee-Melichar, EXCOM Liaison reported on the following:
   A. Jeri Echeverria and Gary Reichard provided a budget report to EXCOM indicating that there is uncertainty about the budget. If propositions on the ballot fail, the CA budget deficit will be increased.
