- II. Meeting Agenda was reviewed and approved without objection.
- III. The committee reviewed the supplementary notes taken from the March 4, 2008 Advisory Committee meeting. It was recommended that references to “Title V” be changed to “Title 5.”
- IV. LDTP Implementation Status Update:
 - a. Mark McKellip shared and discussed the LDTP Review Update report.
 - b. The LDTP April Newsletter was shared and discussed.
 - c. Joan Bissell shared the use of LDTP within the Math Science Teacher Transfer Project that has been initiated at CSU Los Angeles and CSU East Bay.
 - d. Mark McKellip shared various other statistical reports detailing course outline submission and review approval. Specific course review issues were discussed pertaining to Chemistry, Accounting, and Psychology.

The community college curriculum review process was also discussed. It was determined that faculty to faculty community must be better established. A review of the reasons for LDTP was given. This included the need for more transfer students and a more direct path to the Bachelor’s Degree that maximizes the application of the units students are taking to degree requirements. Discussion began regarding colleges that have chosen not to submit or have minimal submissions to LDTP.
 - e. Barbara Swerkes reported that an Ad Hoc Intersegmental Economics Committee is currently meeting to review the Economics course descriptors with a particular focus on the intermediate algebra prerequisite.
 - f. Marshal Cates reported on the future development of course descriptors.
- V. Community College Reports
 - a. Jane Patten discussed the C-ID Project
 - b. Jane Patten gave a detailed explanation of the changes to the Associate degree from the community colleges.
- VI. CSU Administration Reports

- a. Keith Boyum gave an update on the LDTP Associate Degree Pilot Project with CSU East Bay and CSU Northridge.

The community college representatives shared their concerns regarding this pilot program.

Keith Boyum and Alison Jones gave an update regarding the memorandum from Dr. Gary Reichard that discussed the implementation of LDTP Admissions Agreements.

The community college representatives shared their concerns regarding this implementation suggesting the CSU postpone this for one year.

VII. Review Intersegmental Workgroup Recommendations/Brainstorming

- a. The LDTP Steering Committee is working to develop priority lists from among the issues and concerns identified by the Workgroup at the last meeting on December 11, 2007. The Community Colleges and CSU will develop priority lists and submit these to the LDTP Steering Committee.
- b. An LDTP Intersegmental Workgroup may teleconference this summer to discuss priority lists.

VIII. Meeting was adjourned.
