

**ACADEMIC SENATE  
of  
THE CALIFORNIA STATE UNIVERSITY**

AS-2526-01/FA  
March 15-16, 2001

**Bargaining for State-Supported Summer Term Salary**

RESOLVED: That the Academic Senate of the California State University (CSU) urge the California Faculty Association and the CSU to complete immediately the Memorandum of Understanding for faculty compensation for teaching during the state-supported summer term.

*RATIONALE: It is better to have a systemwide contract than to have many separate agreements which may result in different compensation for the same or similar assignments.*

**APPROVED WITHOUT DISSENT – March 15-16, 2001**
