An act to amend Sections 66021.2 and 69435 of the Education Code, relating to student financial aid.

LEGISLATIVE COUNSEL’S DIGEST

AB 302, as amended, De La Torre. Cal Grant B Entitlement Awards: access awards.

Existing law, the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program, establishes the Cal Grant B Entitlement Awards under the administration of the Student Aid Commission, and establishes eligibility requirements for awards under these programs for participating students attending qualifying institutions. Under existing law, a Cal Grant B award shall be used only for tuition, student fees, and access costs in a for-credit institutional program that is not less than one academic year in length. In no event shall the total award exceed the applicant’s calculated financial need. Existing law establishes that the maximum Cal Grant B award for a student attending the University of California or the California State University shall equal the mandatory systemwide fees in the segment attended by the student, except that in the first year of enrollment in a qualifying institution, the maximum Cal Grant B award to a student shall be the amount of the access award, as specified. Under existing law, the maximum Cal Grant B award for students attending nonpublic institutions equals the amount
of the tuition award plus the amount of the access costs, as specified, except that in the first year of enrollment in a qualifying institution, the maximum award shall be only for the amount of the access award.

This bill would delete the provisions of the Cal Grant Program that limit the maximum amount of Cal Grant B awards to the access award amount received by students attending the University of California, California State University, or nonpublic institutions, during the student’s first academic year. The bill would specify that the Cal Grant B award include the access award amount and an additional amount to pay tuition and fees. The bill would make conforming changes to the law.

The people of the State of California do enact as follows:
