AS-2849-08/APEP (Rev)
March 6-7, 2008

Assessment of Early Assessment Program [EAP] Performance

RESOLVED: That the Academic Senate of the California State University (CSU) and the Office of the Chancellor consult in the development of an assessment plan for the EAP; and be it further

RESOLVED: The State Board of Education and the California Department of Education shall be consulted, as appropriate, during the development of this assessment plan.

RATIONALE: As EAP enters its 5th year, this resolution is intended to provide for an assessment of EAP to determine the degree to which EAP is meeting its goals and to what extent the implementation decisions made along the way has supported these goals.

As partners in the development and implementation of elements of the EAP, consultation with both the State Board of Education and the Department of Education would seem to be appropriate.
