LEGISLATIVE COUNSEL’S DIGEST

SB 218, as amended, Yee. Public records: state agency: nonprofit entity.

The California Public Records Act requires state and local agencies to make their records available for public inspection and to make copies available upon request and payment of a fee unless they are exempt from disclosure. The act defines the term “state agency” for purposes of the act.

This bill would revise the definition of the term “state agency” to additionally include any entity, including, but not limited to, a nonprofit corporation, that receives public funds or performs a governmental function on behalf of the California Community Colleges, the California State University, or the University of California.
program, or other similar activity at a California public postsecondary education institution.

This bill would also provide that it is the intent of the Legislature to reject the court’s interpretation of state law regarding the application of the act to auxiliary bodies organizations, such as the CSU Fresno Association, at issue in California State University, Fresno Assn., Inc. v. Superior Court (2001) 90 Cal.App.4th 810.
