

**ACADEMIC SENATE  
OF  
THE CALIFORNIA STATE UNIVERSITY**

AS 2932-09/FA  
November 5, 2009

**Clarification of Policies Governing Non-State Supported Special Sessions**

RESOLVED: That the Academic Senate of the California State University (ASCSU) call upon the Office of the Chancellor to immediately provide a clear statement of the relevant policies that define, govern and distinguish among self-support, state-support, and special summer session programs.

*RATIONALE: In discussions between the ASCSU Faculty Affairs Committee and the Office of the Chancellor, as well as on local campuses, the only thing that has become clear is that there is no common understanding of the role of summer session in terms of funding, compensation, and pedagogy.*
