Approval of Minutes
The minutes of the meeting of the Board of Trustees of March 15, 2004 were approved.

Board of Trustees
The Board of Trustees heard three action items as follow:

Conferral of the Title President Emerita Upon Marvalene Hughes (RBOT 05-05-03)
Trustee Galinson moved the item; there was a second.

The Board of Trustees approved the following resolution:

WHEREAS, Marvalene Hughes was appointed as president of California State University, Stanislaus in 1994, and has since that time ably and actively served the university, and

WHEREAS, She has shepherded the development of the Stockton off-campus center from its conveyance from the state through its partnership with private industry to its current solid enrollment of upper-division and graduate students; and
WHEREAS, She has launched numerous successful initiatives, from the university’s first formal capital campaign, to its recognition as a Hispanic-Serving Institution, to the Stockton and the Cronkite Stanislaus County Eighth Grade Initiatives which offer scholastic rewards to eighth-graders who seek to go to college, while also working on the national scene to create leadership programs for ethnic administrators; and

WHEREAS, She also has pursued campus renewal, overseeing $70 million in new construction and groundbreaking of a $57 million state-of-the-art science facility as well as the introduction of new academic programs in agricultural studies, nursing, performing arts, and criminal justice, and

WHEREAS, It is altogether fitting that the California State University recognize those individuals who have made distinguished contributions to higher education and to the state of California; now, therefore, be it

RESOLVED, By the Board of Trustees of the California State University that this Board honor President Marvalene Hughes for her outstanding contributions to the California State University and confer on her the title of President Emerita with all the rights and privileges pertaining thereto.

Conferral of the Title President Emeritus upon Peter Smith (RBOT 05-05-04)

Trustee Galinson moved the item; there was a second.

The Board of Trustees approved the following resolution:

WHEREAS, Peter P. Smith was appointed as Founding President of California State University, Monterey Bay in 1994, and has for a decade ably and actively served in that crucial position, and

WHEREAS, He has during his tenure worked tirelessly and effectively to create from the former Fort Ord Army Base one of the most forward-thinking, broadly envisioned, and innovative universities in the nation, supplying future leaders with a solid foundation for excellence, and

WHEREAS, He has by his bold leadership of a new faculty and staff and a pioneering student body helped the university grow into a community now more than 4,000 strong, earning a praise-winning accreditation, creating a network of donors, and planning a host of future facilities and programs; and

WHEREAS, He has at the national level provided further leadership and perspective, authoring such works as the well-regarded The Quiet Crisis: How
Higher Education is Failing America, and shortly will be taking on international responsibilities as the head of UNESCO’s education section; and

WHEREAS, It is altogether fitting that the California State University recognize those individuals who have made distinguished contributions to higher education and to the state of California; now, therefore, be it

RESOLVED, By the Board of Trustees of the California State University that this Board honor President Peter P. Smith for his outstanding contributions to the California State University and confer on him the title of President Emeritus with all the rights and privileges pertaining thereto.

Conferral of the Title Executive Vice Chancellor Emeritus on David S. Spence (RBOT 05-05-05)

Trustee Galinson moved the item; there was a second.

The Board of Trustees approved the following resolution:

WHEREAS, David S. Spence joined the Office of the Chancellor of the California State University in 1998 as Executive Vice Chancellor, serving since that time as its Chief Academic Officer and providing outstanding leadership for the 23-campus system, and

WHEREAS, He has overseen the development and steady improvement of CSU accountability measures, providing solid measurement and better reporting of this crucial information to students, legislators and the citizens of this state; and

WHEREAS, He has worked diligently to address the problem of unprepared students entering the university, including creation of the CSU’s new, nationally recognized Early Assessment Program, by which 11th graders can get an “early signal” of their readiness for college-level work, and has additionally established pathways for current students to move expeditiously to a degree; and

WHEREAS, He has undertaken evaluation of CSU’s core mission of teacher education, gauging, communicating, and improving the university’s success in preparing a new generation of teachers for California, and

WHEREAS, He has greatly strengthened the relationship between the Trustees and the Statewide Academic Senate, as well as other constituent communities of the California State University, resulting in a better understanding of and agreement on critical issues facing the CSU; and
WHEREAS, It is altogether fitting that the California State University recognize those individuals who have made distinguished contributions to higher education and to the state of California; now, therefore, be it

RESOLVED, By the Board of Trustees of the California State University that this Board honor David S. Spence for his many outstanding contributions to the California State University and to all of California higher education, and confer on him the title of Executive Vice Chancellor Emeritus with all the rights and privileges pertaining thereto.

Trustee Holdsworth moved the item; there was a second.

The Board of Trustees approved the following resolution:

RESOLVED, By the Board of Trustees of the California State University, that:

2. The chancellor or his designee is requested to explore all reasonable funding methods available and communicate to the governor and the legislature the need to provide funds for the CSU state funded plan in order to develop the facilities necessary to serve all eligible students.

3. The chancellor or his designee is directed to return to the Board of Trustees for approval of the final State and Nonstate Funded Five-Year Capital Improvement Program 2006/2007 through 2010/2011, including the 2006/2007 action-year request.

Certify the Final Supplemental Environmental Impact Report, Approve the Campus Master Plan Revision and Amend the Nonstate Funded Capital Outlay Program for the Home Depot Center, Phase II at California State University, Dominguez Hills (RCPBG 05-05-09)

Trustee Holdsworth moved the item; there was a second.

The Board of Trustees approved the following resolution:

RESOLVED, By the Board of Trustees of The California State University, that:

1. The Final SEIR for CSU Dominguez Hills master plan revision and construction of the Home Depot Center, Phase II was prepared to address the potential significant environmental effects, mitigation measures, and project alternatives associated with approval of the proposed master plan revision and this project and all discretionary actions related thereto, including the component construction projects as identified in the Project Description in the Final SEIR.
2. The Final SEIR was prepared pursuant to the California Environmental Quality Act (CEQA), the State CEQA Guidelines, and CSU CEQA procedures.

3. This resolution is adopted pursuant to the requirements of Section 21081 of the Public Resources Code and Section 15091 of the State CEQA Guidelines, which require that the Board of Trustees make findings prior to approval of a project along with statements of facts supporting each finding.

4. This board hereby adopts the Findings of Fact, the Statement of Overriding Considerations, and related mitigation measures identified in the Mitigation Monitoring and Reporting Plan for Agenda Item 4 of the May 10-11, 2005 meeting of the Board of Trustees’ Committee on Campus Planning, Buildings and Grounds, which identify specific impacts of the proposed project and impose mitigation measures to reduce those impacts where feasible to a less than significant level, which are hereby incorporated by reference and made a condition of project approval.

5. The Final SEIR has been prepared to address the environmental impacts, mitigation measures, project alternatives, comments and responses to comments associated with the approval of the CSU Dominguez Hills master plan revision and construction of the Conference Center, Office Complex, Athletic Training Facility, and Athletic Residential Facilities pursuant to the requirements of CEQA and the State CEQA Guidelines.

6. The board has adopted Findings of Fact that include specific overriding considerations that outweigh the remaining unavoidable impact specific to construction noise and impact on university operations.

7. Prior to certification of the Final SEIR, the Board of Trustees has reviewed and considered the prior-certified National Training Center Final EIR as revised by the Final SEIR and finds that the Final SEIR reflects the independent judgment of the Board of Trustees. The board hereby certifies the Final SEIR for the CSU Dominguez Hills master plan revision and the construction of the Conference Center, Office Complex, Athletic Training Facility, and Athletic Residential Facilities as complete and adequate in that the Final SEIR addresses all significant environmental impacts of the proposed project required to be addressed pursuant to Section 15163 of the State CEQA Guidelines, and fully complies with the requirements of CEQA and the State CEQA Guidelines. For the purpose of CEQA, the administrative record of the proceedings for the project is comprised of the following:

   a. The Final EIR for the master plan revision and the Home Depot Center, Phase I, certified in June 2001; and
b. The Draft SEIR for the CSU Dominguez Hills master plan revision and the Conference Center, Office Complex, Athletic Training Facility, and Athletic Residential Facilities project; and
c. The Final SEIR, including all comments received on the Draft SEIR and responses to comments; and
d. The proceedings before the Board of Trustees relating to the subject project, including testimony and documentary evidence introduced prior to or at the meeting; and
e. All attachments, documents incorporated, and references made in the documents as specified in items (a) through (d) above.

All of the above information is on file with the California State University, Office of the Chancellor, Capital Planning, Design and Construction, 401 Golden Shore, Long Beach, California, 90802-4210 and California State University, Dominguez Hills, Office of Facilities Planning and Construction Management (Physical Plant building), 1000 E. Victoria Street, Carson, California 90747.

8. The board certifies the Final SEIR for the CSU Dominguez Hills master plan revision and the component construction of project facilities.

9. The board finds that the Final SEIR together with the prior-certified National Training Center Final EIR has sufficiently analyzed the environmental impacts and mitigation measures for the campus master plan revision, and the component construction projects identified in the Final SEIR, and that the resolutions and approvals provided by the board apply to the construction of these project facilities. The board shall consider the Final SEIR together with the prior-certified National Training Center Final EIR in connection with any approvals of the projects.

10. The CSU Dominguez Hills master plan revision dated May 2005 is hereby approved contingent upon:
   a. A determination by the Chancellor that there are no outstanding material issues of noncompliance in any agreements between the University or AEG and the University Heights community, including satisfaction of all issues contained in the Settlement Agreement between AEG and University Heights for Phase I of the project; and
   b. A written agreement by AEG to include reference to California State University Dominguez Hills in all AEG media releases, announcements and broadcasts concerning events at the Home Depot Center, and a further commitment by AEG to pursue a similar written commitment from its third party licensees and all media outlets that broadcast from the facility; and
c. **A determination by the Chancellor that the revenue resulting from Phase II of the project is equivalent to comparable market rates.**

11. **A report on all these items will be made to the Board at the July 2005 meeting.**

12. The 2004/2005 Nonstate Funded Capital Outlay Program is amended to include $55,000,000 for preliminary plans, working drawings, construction, and equipment for the CSU Dominguez Hills, Home Depot Center, Phase II project.

13. The chancellor or his designee is requested under the Delegation of Authority granted by the Board of Trustees to file the Notice of Determination for the California State University, Dominguez Hills master plan revision and the Home Depot Center, Phase II project.

5. California State University, San Bernardino—College of Education
RESOLVED, By the Board of Trustees of the California State University, that:

1. The project is consistent with the CSU San Bernardino campus master plan revision approved by the Board of Trustees in January 1999 and a Finding of Consistency has been prepared pursuant to the requirements of the California Environmental Quality Act.

2. The project before this board is consistent with the project description as analyzed in the previously certified Final EIR and does not propose substantial changes to the original project description, which would require major revision to the Final EIR or Findings adopted by this board in certifying said Final EIR.

3. With the implementation of the mitigation measures set forth in the master plan previously approved by the Board of Trustees, the proposed project will have no new or previously undisclosed significant effects on the environment, and the project will benefit the California State University.

4. The mitigation measures shall be monitored and reported in accordance with the requirements of the California Environmental Quality Act (Public Resources Code, Section 21081.6).

5. The chancellor or his designee is requested under Delegation of Authority by the Board of Trustees to file the Notice of Determination for the project.

6. The schematic plans for the California State University, San Bernardino, College of Education are approved at a project cost of $51,046,000 at CCCI 4100.

6. San Diego State University—Pool Complex

RESOLVED, By the Board of Trustees of the California State University, that:

1. The board finds that the San Diego State University, Pool Complex project is consistent with the campus master plan revision approved in May 1999 pursuant to the requirements of the California Environmental Quality Act.

2. The project before this board is consistent with the project description as analyzed in the previously certified Final EIR and does not propose substantial changes to the original project description, which would require major revision to the Final EIR or Findings adopted by this board in certifying said Final EIR.
3. With the implementation of the mitigation measures set forth in the master plan previously approved by the Board of Trustees, the proposed project will not have a significant effect on the environment, and the project will benefit the California State University.

4. The mitigation measures shall be monitored and reported in accordance with the requirements of the California Environmental Quality Act (Public Resources Code, Section 21081.6).

5. The chancellor is requested under Delegation of Authority by the Board of Trustees to file a Notice of Determination for the project.

6. The schematic plans for the San Diego State University, Pool Complex are approved at a project cost of $12,100,000 at CCCI 4100.

7. **California Polytechnic State University, San Luis Obispo—Housing Administration Building**

   **RESOLVED**, By the Board of Trustees of the California State University, that:

   1. The board finds that the Categorical Exemption for the California Polytechnic State University, San Luis Obispo, Housing Administration Building project was prepared and submitted pursuant to the requirements of the California Environmental Quality Act.

   2. The proposed project will not have a significant adverse impact on the environment, and the project will benefit the California State University.

   3. The schematic plans for the California Polytechnic State University, San Luis Obispo, Housing Administration Building are approved at a project cost of $3,507,000 at CCCI 4100.
