Report of Committees

Committee on Collective Bargaining

Chair Foster reported the Committee ratified a tentative agreement for fiscal year 2005/2006 compensation with the Operating Engineers at the Maritime Academy. He also noted that the Committee heard presentations from representatives of the California State University Employees Union and the Academic Professionals of California.

Committee on Campus Planning, Buildings and Grounds

Chair Tsakopoulos reported the committee heard three information items, California Environmental Quality Act Annual Report; Status Report on the 2005/2006 State Funded Capital Outlay Program and Revised Policy on Energy Conservation, Sustainable Building Practices, and Physical Plant Management and five action items as follow:

Amend the 2005/2006 Capital Outlay Program, Nonstate Funded (RCPBG 07-05-11)

Trustee Tsakopoulos moved the item; there was a second.

The Board of Trustees approved the following resolution:

RESOLVED, By the Board of Trustees of the California State University, that:

1. The 2005/06 Nonstate Funded Capital Outlay Program be amended to include:
   1) $1,134,000 for preliminary plans, working drawings, construction, and equipment for the California State University, Monterey Bay, Center for Reading Diagnosis; 2) $170,632,000 for preliminary plans, working drawings, and construction for the California State University, Monterey Bay, North Campus Faculty and Staff Housing, Phase I; 3) $3,327,000 for preliminary plans, working drawings, and construction for the California State University, San Marcos, Parking Lot F; and 4) $3,199,000 for the acquisition of Real Property for Sonoma State University.

2. The Board of Trustees recognizes and acknowledges that, in their discretionary, decision-making capacity, the approval of the purchase and acquisition of the Real Property for possible development of faculty, staff, and student housing and parking at Sonoma State University, is subject to and will not proceed until compliance with all requirements of the California Environmental Quality Act (CEQA) are met, and be it further stated that in the
event the necessary CEQA compliance documentation is not certified by this board, or if any responsible agency fails to approve a required permit for development or for any other reason the property is deemed not suitable for the intended use, then the trustees will sell the property back to Sonoma State Enterprises (SSE), and SSE will reimburse to the trustees the entire purchase cost, including a reasonable processing fee.

Certify the Final Environmental Impact Report and Approve the Campus Master Plan Revision with Enrollment Ceiling Change at San Diego State University.

The committee voted to defer this item to the September meeting to allow for further investigation.

Certify the Final Environmental Impact Report and Approve the Campus Master Plan Revision with Enrollment Ceiling Change at California State University, Chico (RCPBG 07-05-12)

Trustee Tsakopoulos moved the item; there was a second.

The Board of Trustees approved the following resolution:

RESOLVED, by the Board of Trustees of the California State University, that:

1. The FEIR for the California State University, Chico master plan revision was prepared to address the environmental effects, mitigation measures, project alternatives, and comments and responses to comments associated with the approval and implementation of the proposed master plan revision, pursuant to the requirements of the California Environmental Quality Act, the CEQA guidelines, and the CSU CEQA procedures.

2. The FEIR addresses the proposed increased enrollment, and all discretionary actions relating to it.

3. This resolution is adopted pursuant to the requirements of Section 21081 of the Public Resources Code (CEQA) and Section 15091 of the California Code of Regulations (CEQA Guidelines), which require that the Board of Trustees make findings prior to approval of a project along with a Statement of Fact supporting each finding.

4. This board hereby adopts the Findings of Fact and related mitigation measures identified in the Mitigation Monitoring Program for Agenda Item 4 of the July 19-20, 2005 meeting of the Board of Trustees’ Committee on Campus Planning, Buildings and Grounds, which identifies specific impacts of the proposed project and related mitigation measures, which are hereby incorporated by reference.
5. The FEIR has identified potentially significant effects that may result from project implementation. However, the Board of Trustees, by adopting the Findings of Fact finds that the inclusion of certain mitigation measures as part of the project approval will reduce most, but not all, of those effects to less than significant levels. Those impacts, which are not reduced to less than significant levels, are identified and overridden due to specific project benefits.

6. The Findings of Fact that are hereby adopted include specific overriding considerations that outweigh certain remaining unavoidable significant impacts to 1) cultural resources and 2) transportation and circulation.

7. Prior to the certification of the FEIR, the Board of Trustees has reviewed and considered the above-mentioned FEIR, and finds that the FEIR reflects the independent judgment of the Board of Trustees. The board hereby certifies the FEIR for the proposed project as complete and adequate in that the FEIR addresses all significant environmental impacts of the proposed project and fully complies with the requirements of CEQA and the CEQA Guidelines. For the purpose of CEQA and the CEQA Guidelines, the administrative record of the proceedings for the project is comprised of the following:

a. The Draft EIR for the California State University, Chico master plan revision;
b. The FEIR, including comments received on the Draft EIR, and responses to comments;
c. The proceedings before the Board of Trustees relating to the subject project, including testimony and documentary evidence introduced at such proceedings; and
d. All attachments, documents incorporated, and references made in the documents as specified in items (a) through (c) above.

The above information is on file with the California State University, Office of the Chancellor, Capital Planning, Design and Construction, 401 Golden Shore, Long Beach California, 90802-4210 and at California State University, Chico, Department of Facilities Planning, 401 West First Street, Chico California 95929-0018.

8. The board hereby certifies the FEIR for the California State University, Chico master plan revision dated July 2005 as complete and in compliance with CEQA.

9. The mitigation measures identified in the Mitigation Monitoring Program are hereby adopted and shall be monitored and reported in accordance with the Mitigation Monitoring Program for Agenda Item 4 of the July 19-20, 2005
meeting of the Board of Trustees’ Committee on Campus Planning, Buildings, and Grounds, which meets the requirements of CEQA (Public Resources Code, Section 21081.6).

10. The California State University, Chico master plan revision dated July 2005 is approved at a master plan enrollment ceiling of 15,800 FTE.

11. The chancellor, or his designee, is requested under the Delegation of Authority granted by the Board of Trustees to file the Notice of Determination for the California State University, Chico master plan revision dated July 2005.

Trustee Tsakopoulos moved the item; there was a second.

The Board of Trustees approved the following resolution:

RESOLVED, By the Board of Trustees of the California State University, that:

The Categories and Criteria for the State Funded Five-Year Capital Improvement Program, 2007/08–2011/12 in Attachment A of Agenda Item 7 of the July 19-20, 2005 meeting of the trustees’ Committee on Campus Planning, Buildings and Grounds be approved; and

The chancellor is directed to use these categories and criteria to prepare the CSU State Funded Five-Year Capital Improvement Program.

Approval of Schematic Plans (RCPBG 07-05-14)

Trustee Tsakopoulos moved the item; there was a second.

The Board of Trustees approved the following resolution:

1. California State University, Fullerton—College of Business and Economics

RESOLVED, By the Board of Trustees of the California State University, that:

1. The project is consistent with the CSU Fullerton campus master plan revision approved by the Board of Trustees in November 2003 and a Finding of Consistency has been prepared pursuant to the requirements of the California Environmental Quality Act.

2. The project before this board is consistent with the project description as analyzed in the previously certified Final EIR and does not propose
substantial changes to the original project description, which would require major revision to the Final EIR or Findings adopted by this board.

3. With the implementation of the mitigation measures set forth in the master plan previously approved by the Board of Trustees, the proposed project will have no new or previously undisclosed significant effects on the environment, and the project will benefit the California State University.

4. The mitigation measures shall be monitored and reported in accordance with the requirements of the California Environmental Quality Act (Public Resources Code, Section 21081.6).

5. The schematic plans for the California State University, Fullerton, College of Business and Economics are approved at a project cost of $73,948,000 at CCCI 4100.

2. California State University, Fullerton—Student Recreation Center

RESOLVED, By the Board of Trustees of the California State University, that:

1. The project is consistent with the CSU Fullerton campus master plan revision approved by the Board of Trustees in November 2003 and a Finding of Consistency has been prepared pursuant to the requirements of the California Environmental Quality Act.

2. The project before this board is consistent with the project description as analyzed in the previously certified Final EIR and does not propose substantial changes to the original project description, which would require major revision to the Final EIR or Findings adopted by this board in certifying said Final EIR.

3. With the implementation of the mitigation measures set forth in the master plan previously approved by the Board of Trustees, the proposed project will have no new or previously undisclosed significant effects on the environment, and the project will benefit the California State University.

4. The mitigation measures shall be monitored and reported in accordance with the requirements of the California Environmental Quality Act (Public Resources Code, Section 21081.6).

5. The schematic plans for the California State University, Fullerton, Student Recreation Center are approved at a project cost of $41,870,000 at CCCI 4019.
3. California State University, Monterey Bay—North Campus Faculty and Staff Housing, Phase I, For Sale and Infrastructure (317 Units)

RESOLVED, By the Board of Trustees of the California State University, that:

1. The board finds that the Final Supplemental Environmental Impact Report (SEIR) for the California State University, Monterey Bay master plan certified by the board on November 17, 2004 was prepared to include the construction of the North Campus Faculty and Staff Housing, Phase I project pursuant to the requirements of the California Environmental Quality Act.

2. The SEIR certified in November 2004 is Supplemental to the FEIR of 1998 and incorporates by reference all Findings of Fact, Mitigation Monitoring and Reporting Program, and Statements of Overriding Considerations.

3. The project does not propose substantial changes, which would require revision of the previously certified campus master plan Final SEIR.

4. The project does not involve any substantial changes in the circumstances under which the master plan Final SEIR was certified.

5. No substantial new information has been identified, which shows that the project would have one or more significant effects or requires additional mitigation measures not discussed in the master plan and Final SEIR.

6. The Final SEIR has been prepared to specifically include the North Campus Faculty and Staff Housing, Phase I construction project and has been considered an important part of the planning process and the deliberations of this board.

7. The board hereby concurs with the Findings of Fact and related mitigation measures adopted in their approval November 16, 2004, which certified the Final SEIR and determined that the proposed project will reduce the potential significant effects on the environment to less than significant with the exception of traffic and water supply.

8. The findings and the related mitigation measures in the November 17, 2004, action of the Board of Trustees, which certified the Final SEIR, are incorporated by reference and concurred with by this board.

9. The board has previously adopted Findings of Fact that in its certification of the May 1998 FEIR and November 2004 SEIR for the master plan that include specific overriding considerations that outweigh certain remaining unavoidable significant impacts specific to water supply and traffic; said Findings of Fact relating to specific overriding considerations are hereby incorporated by reference and concurred with by this board.
10. Water usage impacts have been addressed in the previously certified FEIR and SEIR by planned water conservation measures, which will reduce consumption to acceptable supply levels.

11. Traffic impacts cannot be mitigated by the campus as streets are under the jurisdiction of other agencies whose responsibility and authority have been identified in the Findings of Fact in the previously certified FEIR and SEIR.

12. The project will benefit the California State University.

13. The previously approved mitigation measures shall continue to be monitored and reported in accordance with the plan approved by the board at the November 17, 2004 meeting of the Board of Trustees’ Committee on Campus Planning, Buildings and Grounds, which meets the requirements of the California Environmental Quality Act (Public Resources Code, Section 21081.6).

14. The chancellor or his designee is requested under Delegation of Authority granted by the Board of Trustees to file the Notice of Determination for the project.

16. The schematic plans for the California State University, Monterey Bay, North Campus Faculty and Staff Housing, Phase I, For Sale and Infrastructure (317 Units) are approved at a total project cost of $134,442,000 at CCCI 4328.
