**Approval of Minutes**

The minutes of November 12, 2002, were approved as submitted.

Trustee Foster summarized the two agenda items for the committee. He stated that the first item was to set the compensation for newly appointed presidents at California State Polytechnic University, Pomona and California State University, Sacramento. The second agenda item was to set compensation for interim presidents receiving temporary appointments at San Jose State University, California State University, San Marcos and California State University, Chico.

Chancellor Reed said that the first item was to set the compensation at \$205,008 annually for Dr. Michael Ortiz to become the president at Cal Poly Pomona and at \$221,004 annually for Dr. Alex Gonzalez to become the president at CSU, Sacramento, as proposed in the resolution.

Trustee Foster asked for a motion and any discussion. The motion was seconded and carried.

Chancellor Reed then stated that he was pleased to report to the committee that the CSU has three interim presidents whose compensation the board will be asked to set. He said that he feels very lucky that we are able to attract such people to be a part of the California State University. Chancellor Reed then said that it is his recommendation that the board approve compensation at \$208,000 annually for Dr. Scott McNall who is the current provost and vice president for academic affairs at CSU, Chico, as interim president at CSU, Chico.

He asked the committee to approve compensation at an annual salary of \$222,450 for Dr. Joseph Crowley as interim president at San Jose State University. Dr. Crowley had been the president of the University of Nevada, Reno, for 23 years. He had been at that university for over 33 years. Dr. Reed stated that Dr. Crowley comes to this position with a lot of experience; he has managed big budgets, has cut budgets, he was the president of the NCAA for two years and will provide the continuity and leadership for San Jose State University.

Finally, Chancellor Reed stated that he is privileged to ask Dr. Roy McTarnaghan to serve as interim president at CSU, San Marcos. Dr. McTarnaghan has been involved in higher education for over 35 years. He was the president of a new developing institution in Florida, Florida Gulf Coast University, and had also been president in West Virginia and of institutions in Virginia as well. Dr. Reed said that he has the experience to lead a new institution and asked that the committee also approve the compensation at an annual salary of \$208,000 for Dr. McTarnaghan.

Trustee Foster moved the resolution recommending compensation for the interim presidents receiving temporary appointments at San Jose State University, CSU, San Marcos, and CSU, Chico. The motion was seconded and approved.

### **Adjournment**

The meeting adjourned at 2:33 p.m.

## **COMMITTEE ON UNIVERSITY AND FACULTY PERSONNEL**

### **Proposed Revision of Title 5 Regulations—Amendment of California State University Conflict of Interest Code**

#### **Presentation By**

Jackie R. McClain  
Vice Chancellor  
Human Resources

#### **Summary**

The California State University Conflict of Interest Code must be updated periodically to reflect changes in the designated positions and disclosure categories of those individuals who make or participate in the making of decisions that foreseeably will have a material effect on personal financial interests. These changes amend Exhibit “A” of Article 20 of Title 5, *California Code of Regulations*.

The Political Reform Act of 1974 requires the Trustees of the California State University to adopt a Conflict of Interest Code which requires designated employees to file statements periodically disclosing financial interests which foreseeably would be significantly affected by their making or participating in the making of decisions in their employment with the California State University. This item proposes an amendment of this Code to bring it into conformity with changes made by the campuses and the Chancellor's Office in the titles and responsibilities of designated positions.

As part of the CSU's annual Conflict of Interest filing process, in February 2003 Vice Chancellor McClain asked campuses and the Chancellor's Office to review their designated position lists to determine whether the list was complete in scope and accurately reflected current job titles and disclosure categories. This amendment to the CSU's Conflict of Interest Code incorporates the latest campus and Chancellor's Office changes to keep our Code as current as possible. Upon approval by the Board of Trustees, the amendment will be submitted to Fair Political Practices Commission (FPPC) for approval.

The CSU currently is awaiting approval from the FPPC of proposed amendments to its Conflict of Interest Code approved by the Board of Trustees in July 2002. On January 31, 2003, FPPC requested statements of reason and position descriptions for each substantive change to the CSU's designated position list and that information was submitted April 15, 2003. FPPC is reviewing this information as an added step in its Code approval process.

It is anticipated that FPPC should be able to approve both the CSU's July 2002 and July 2003 Conflict of Interest Code amendments before the CSU's February 2004 Conflict of Interest filing process.

This item satisfies the continuing need to periodically update the designated positions in the CSU. The proposed amendments ensure that the financial interests that must be disclosed are those that are currently involved in the decision-making authority of the designated employees.

Exhibit A to the CSU Conflict of Interest Code contains the designated positions and is the text amended in this action. Exhibit B explains the disclosure categories one through seventeen.

Since changing the CSU Conflict of Interest Code requires an amendment to Title 5 of the *California Code of Regulations*, this item has been noticed for a public hearing as required by law.

### **Proposed Revision**

The following resolution is recommended for adoption:

**RESOLVED**, By the Board of Trustees of The California State University acting under the authority of Sections 87300 and 87306 of the Government Code and Section 89030.1 of the Education Code, that the Board hereby amends the California State University Conflict of Interest Code in Exhibit "A," "Designated Positions," of Article 20 of Subchapter 7, Chapter 1, Division 5 of Title 5 of the *California Code of Regulations* as specified in Exhibit A to Agenda Item 1 of the July 15-16, 2003, meeting of the Trustees' Committee on University and Faculty Personnel; and be it further

**RESOLVED**, That the California State University has determined that the amendment of the regulation will not impose a cost or savings on any state agency; will not impose a cost or savings on any local agency or school district that is required to be reimbursed under Section 17561 of the *Government Code*; will not result in any costs or savings in federal funding to the State; and will not impose a mandate on local agencies or school districts; and be it further

**RESOLVED**, That the Board of Trustees delegates to the Chancellor of The California State University authority to further adopt, amend, or repeal this regulation pursuant to Education Code Section 89030.1 if the further adoption, amendment, or repeal is required and is nonsubstantial or solely grammatical in nature, or sufficiently related to the original text that the public was adequately placed on notice that the change could result from the originally proposed regulatory action.
