Besides helping you see better, routine eye exams can detect symptoms of serious conditions such as glaucoma, cataracts and diabetes. Even tumors. And eye exams for children spot problems that can hinder learning and development.

Close to you. Big selection.

VSP network doctors are in medical offices and shopping centers — close to your home and work. And, they have a large frame and contact lens selection, whether you prefer classic styles or the latest fashions. Plus, most offer evening and weekend hours and accept drop-ins. New patients are always welcome!

Effortless benefits.

1. Choose a VSP doctor at vsp.com or call 800-877-7195.
2. Make an appointment and tell the doctor you are a VSP member.
3. That's it! No ID cards or filling out claim forms.

Satisfaction. Guaranteed.

It's true: Your satisfaction is guaranteed. You'll always receive first-class customer service at VSP. And, if you're not completely satisfied with your service or eyewear, just let us know and we'll make it right.
