CSU SAN FRANCISCO BUILDING CODE PLAN CHECK REPORT-APPROVAL	
RECOMMENDED	
Status:	Approval Recommended
Authorization No:	C900248
Description:	Utility Extension & SS/SD Realignment
Willdan Project No:	Utility Extension/17297-1001

Dear Mr. Lam:

Willdan has completed a plan review of revised plans and or documents for the above referenced project and recommends your approval. The plans and documents provided for this most recent review that have been found in compliance with the applicable codes are:

- | | | |
|---|---------------------------------------|-------------------------|
| 1 | set(s) Architectural/Structural plans | set(s) Plumbing plans |
| 1 | set(s) Structural calculations | set(s) Mechanical plans |
| 1 | set(s) Project manuals | set(s) Electrical plans |
| | set(s) Truss Calcs/Drawings | set(s) Grading plans |
| | Red-lined set (Previous Review) | set(s) Soils report |
| | Correction List | Approved City Set(s) |

The enclosed plans are stamped "Code Reviewed" which identifies Willdan as the plan review consultant and all code topics subject to the plan review.
