SUBJECT: Master Enabling Agreement - Seismic Peer Review Services

VENDORS: The following six (6) firms are authorized to perform Seismic Peer Review services for public works projects submitted by the California State University:

Agreement CN006275: Brandow and Johnston Associates
Agreement CN006276: James A. Hill and Associates
Agreement CN006277: John A. Martin and Associates, Inc.
Agreement CN006278: Johnson and Nielsen Associates
Agreement CN006279: Dr. Theodore C. Zsutty
Agreement CN006280: Dr. Charles Thiel, Jr.

DATE ISSUED: January 1, 2000

TERM: January 1, 2000 through June 30, 2003, with the option given the Trustees of extending the Agreements with the same terms and conditions for up to two (2) additional one (1) year periods.

DESCRIPTION:

The master enabling agreements with the above firms establishes Systemwide seismic peer review services for public works projects submitted by the California State University. Each campus and administrative office of the California State University may engage the services of the listed Service Providers. Campuses shall execute a Service Authorization Order in accordance with the provisions in Exhibit A to secure seismic peer review services under these Agreements.

Independent peer review is an objective technical review by a knowledgeable reviewer experienced in the structural design related to seismic resistance, analysis, and performance. The Service Provider shall conduct an independent peer review with oversight of the Seismic Review Board (SRB). The Peer Reviewer shall cooperate with the SRB and respond in a timely manner to any of its requests or policy and technical directions. Only the six (6) firms identified in the above master enabling agreements are authorized and approved to perform seismic peer review services for CSU projects.
