SUBJECT: Public Works Contract – Delegation of Authority
Executive Order Number 1057

HUMBOLDT

LONG BEACH

The attached Executive Order Number 1057 replaces Executive Order Number 793 by raising the threshold for General Counsel endorsement on public works contracts (except public works related service agreements) to an amount determined pursuant to Public Contract Code Section 10108. Presently, that amount is \$600,000. This executive order provides for campus approval and execution of public works contracts up to that amount. Despite the elimination of General Counsel endorsement, it is important that the campus satisfies itself in consultation with General Counsel that its minor capital outlay contract documents satisfy legal requirements.
