

Compilation of Policies and Procedures

For

California State University Auxiliary Organizations

Prepared by  
Business and Finance  
Office of the Chancellor  
Updated September 2002

# Compilation of Policies and Procedures for California State University Auxiliary Organizations

## PREFACE

PREFACE 09/02

This document includes a compilation of applicable statutes, regulations, and systemwide policies, as well as brief narratives organized around the chapter headings that point to the authoritative references, but in some instances, constitute an interpretation or extension of those sources that can be relied upon by auxiliary organizations in the CSU. It is intended to provide a reference to topical headings by locating and displaying information from the various sources that provide the applicable policy.

References in the document are to the following, listed below in hierarchical order:

Education Code (State of California)

Title 5, California Code of Regulations

Resolutions of the Board of Trustees of the California State University

Executive orders of the Chancellor of the California State University

Directives of officers of the trustees under appropriate delegations

Where the information in this document refers to the offices of "Auxiliary and Business Services", "Auxiliary Planning and Bonds", or "Financing and Risk Management", the reader can generally substitute the current office responsible for such issues as the office of Financing and Treasury.

Efforts will be made to maintain this document on the World Wide Web in a current and up-to-date format. Copies of this document are available through the CSU website:  
[www.calstate.edu/FT/AuxOrg/PDF0800/Compilation.shtml](http://www.calstate.edu/FT/AuxOrg/PDF0800/Compilation.shtml).

Appendix A contains a record of updates.

# Compilation of Policies and Procedures for California State University Auxiliary Organizations

## TABLE OF CONTENTS

TABLE OF CONTENTS 09/02

- 1 POLICY REQUIREMENTS FOR AUXILIARY ORGANIZATIONS**
  - 1.1 Mandatory Board of Trustees' Requirements for Auxiliary Organization Status
