Life and Accidental Death and Dismemberment (AD&D) Insurance
Effective August 1, 2002, benefits eligible CSEA employees will be covered by CSU-paid life and AD&D insurance in the amounts of $10,000 through The Standard Insurance Company (Standard). Enrollment will be through an automated process requiring no campus processing. Standard will send campuses beneficiary forms in approximately two weeks. The certificates of coverage require updating to reflect the addition of CSEA employees and will be available mid to late August. Attachment A is a draft letter to be used by campuses to introduce this benefit to CSEA employees. Because this letter includes the beneficiary form, it should go out to employees no later than July 30, 2002, so employees may designate the appropriate beneficiary as close to August 1 as possible.

Employees eligible for the CSU fee waiver program may transfer their existing fee waiver benefit entitlement maximum to a spouse or dependent child. Please refer to HR/Benefits 2002-02 for the list of fees eligible for waiver. Campuses may implement this program for Fall 2002 if administratively feasible; otherwise, implementation may be deferred to the next semester/quarter. This benefit is subject to the following conditions:

- the courses are taken by a spouse or dependent child who is matriculated toward a degree and the courses are for credit toward the degree’s requirements,
- this fee waiver benefit does not apply to out-of-state tuition, and
- the administration determines that there is space available in such course offerings for the spouse or dependent child.

CSU Pre-Tax Parking Fee Deduction Plan
Effective September 1, 2002, eligible employees will automatically be enrolled into the CSU Pre-Tax Parking Fee Deduction plan through a State Controller’s Office (SCO) process. Employees who choose to continue to pay for parking with after-tax dollars will need to complete and submit a CSU Pre-Tax Parking Deduction Election Authorization form to the campus Human Resources office to disenroll and pay for parking through after-tax payroll deduction. Campuses must submit all Authorization forms to the SCO by August 12 to ensure those employees opting out of the program will continue to pay for parking expenses with after tax dollars. In preparation for implementation, Attachment B is a draft letter for
campuses to use to introduce the plan to CSEA employees. Campuses will receive a supply of brochures to include with the letter.

**Rural Health Care Stipend — 2002/2003**

Eligible employees enrolled in health benefits in April 2002 who on April 30, 2002, reside in a zip code determined by CalPERS to be a rural area in which no CalPERS board approved Health Maintenance Organization exists, are eligible to receive a one time stipend of five hundred dollars ($500) to be paid during fiscal year 2002/03. RE: CSU PRE-TAX PARKING DEDUCTION PLAN IMPLEMENTATION FOR ELIGIBLE CSEA EMPLOYEES

Dear __________:

This letter highlights details of the pre-tax benefit plan that California State University (CSU) is pleased to provide eligible CSEA employees who currently pay for parking though payroll deduction with after-tax earnings. Effective September 1, 2002, if you are in an eligible position and currently pay for parking expenses through payroll deduction, you will automatically be enrolled as a participant in the CSU Pre-Tax Parking Deduction Plan. As a participant, a specified amount you pay for parking expenses through payroll deduction will be tax exempt, which means parking deductions will be taken from your pay before federal, state, Social Security, and Medicare taxes are calculated. Your taxable income will be reduced, and consequently, your taxable income reflected on your annual W-2 statement will be reduced. Your first pre-tax deduction under the plan will be reflected in your September 1 pay warrant (August pay period).

Eligibility
CSEA employees are now eligible to participate in the pre-tax plan. In order to participate, you must be able to pay for CSU parking expenses through payroll deduction.

If you are not currently parking in a CSU parking facility established by this campus and are interested in doing so, please contact ________.

Enrollment
If you are currently paying for parking expenses through payroll deduction, enrollment in this plan is automatic unless you choose to continue paying for parking expenses with after-tax dollars. If you wish to continue your parking deductions with after-tax dollars, please complete a CSU Pre-Tax Parking Deduction Election Authorization form. You may change your election to participate at any time. This form is available in the ______________ office and must be submitted to your campus benefit/payroll office by ________________.

Eligible Expenses
Since you are currently paying for CSU parking through payroll deduction, your parking expenses will automatically qualify as an eligible pre-tax parking expense. The IRS monthly deduction limit for calendar year 2002 is $185. If your monthly parking deduction is more than the IRS limit, the difference will be paid in after-tax dollars.

For additional Plan details, please refer to the CSU Pre-Tax Parking Deduction Plan brochure available in the Human Resources office or contact _________________ at _________________.

Sincerely,
