Subject: The CSU Faculty Recruitment and Retention Survey for 2000/01

Attached please find a copy of the 13th annual CSU Faculty Recruitment and Retention survey. The information gathered in this survey will be used both to identify faculty staffing trends throughout the CSU and to gather data required for external reporting.

In order to streamline the process and expedite the production of the final report, we have developed a standard electronic format (Excel workbook) that will be provided to the Associate Vice Presidents/Deans of Faculty via e-mail in the near future. Please return the completed surveys by **April 13, 2001** via e-mail to Ms. Allie Coronis at acoronis@calstate.edu. Questions on completing the survey or using the survey tool can be directed to Ms. Coronis at (562) 951-4418 or via e-mail at the address above.

Thank you for your assistance in providing us this important data. We hope to have the final report back to you in the summer of 2001. If you or your staff would like to see additional information on this survey or have recommendations on the data gathering methodology, please contact Dr. Cordelia Ontiveros at (562) 951-4503 or via e-mail to contiveros@calstate.edu.
