Subject: Post-Retirement Employment: CalPERS' Retirees

Please be advised that Human Resources received confirmation from California Public Employees' Retirement System (CalPERS) that a rehired annuitant appointed in a non-academic assignment can work up to 960 hours in a calendar year pursuant to Government Code 21224. This confirms CSU's interpretation of Government Code 21224.

CalPERS is still reviewing Government Code 21227 pursuant to CSU's request for CalPERS' clarification of its interpretation of the 960 hour or 50% of the hours worked in the year prior to retirement provision. We will update campuses when this remaining issue is resolved.

If you have faculty-related questions, please contact Cordelia Ontiveros at (562) 951-4425. Questions related to staff should be addressed to Pamela Chapin at (562) 951-4414. This memorandum is also available on Human Resources Administration's Web site at: <http://www.calstate.edu/HRAdm/memos.shtml>.
