**Subject:** IPEDS 2005 Human Resources Survey (Fall Staff, Employees by Assigned Position, and Salary)

The National Center for Education Statistics (NCES) is conducting its annual IPEDS Human Resources Survey, to which the California State University is required to submit a response for each campus. This survey combines three separate IPEDS surveys collected in prior years by NCES (the Fall Staff, Employees by Assigned Position, and Salary surveys). The format for this survey can be viewed at the following web site maintained by NCES:

<http://nces.ed.gov/ipeds/web2000/printforms.asp?formid=5>

Please note that Campuses do not need to complete the survey form located on this website. The Chancellor's Office will assist the campuses in preparing data for submission, and will submit the survey responses on behalf of each campus.

We are communicating the details of this process to the Directors of Equal Opportunity, Directors of Human Resources, and Directors of Institutional Research. My office will assume that the Director of Equal Opportunity at your campus has primary responsibility for reviewing IPEDS data unless you advise us differently.

Questions regarding this data collection and reporting effort should be addressed to Dr. Kevin Ruminson at (562) 951-4422 or [kruminson@calstate.edu](mailto:kruminson@calstate.edu).
