Subject: **The CSU Faculty Recruitment and Retention Survey for 2007/08**

The annual CSU Faculty Recruitment and Retention survey is set to begin. The information gathered in this survey will be used to identify faculty staffing trends throughout the CSU and to gather data required for external reporting.

In order to streamline the process and expedite the production of the final report, we have developed a standard electronic format (Excel workbook) that will be provided to the Associate Vice Presidents/Deans of Faculty via e-mail in the near future. Please return the completed surveys by **October 12, 2007** via e-mail to Alicia Hansell at ahansell@calstate.edu. Questions on completing the survey or using the survey tool can be directed to Alicia Hansell at (562) 951-4506 or via e-mail at the address above.

Thank you for your assistance in providing us this important data. We hope to have the final report back to you in the spring of 2008. If you or your staff would like to see additional information on this survey or have recommendations on the data gathering methodology, please contact Dr. Cordelia Ontiveros at (562) 951-4503 or via e-mail to contiveros@calstate.edu.
