Subject: Employment History Change – PIMS Item 718 – Department Chairs

The coding instructions for PIMS data element Item 718 for Department Chairs has changed pursuant to Technical Letter HR/Salary 2006-04. PIMS Item 718 must be entered to denote the Department Chair administrative assignment portion up to fulltime in all cases. (Previously, this Item required entry when the Department Chair’s administrative assignment portion was less than full time.) It continues to be the case that for faculty in split positions (concurrent assignment in both instructional faculty and in the department chair classifications), PIMS Item 718 should be the same as the time base in the department chair classification.
