

Date: February 26, 2007 Code: HR 2007-03  
To: CSU Presidents  
From: Jackie R. McClain   
Vice Chancellor  
Human Resources  
Subject: 2007 Conflict of Interest Annual Filing

The Political Reform Act, Government Code Sections 81000, et seq., requires California State University (CSU), as an agency, to adopt and promulgate conflict of interest (COI) codes. The CSU's COI code requires employees in designated positions to file a Statement of Economic Interests (Form 700) on an annual basis. This memorandum serves as a reminder that employees in designated positions on your campus must file Statements by April 2, 2007. (Please note the deadline is extended due to April 1 falling on a Sunday.)

I. Code Update

The Fair Political Practices Commission (FPPC) approved the CSU's COI Code amendment adopted by the Trustees at the July 2006 Board meeting. As discussed in HR 2007-02, the effective date of the new COI code is March 10, 2007. Individuals in newly designated positions must file an "initial" statement within 30 days after the effective date of the code or amendment. The filing deadline is April 9, 2007.

Attachment A provides the CSU disclosure categories list.

II. Annual Filing Reminder

Conflict of Interest filing is a campus responsibility. Your campus Conflict of Interest Filing Officer should distribute Form 700 ("Statement of Economic Interests") to employees in designated positions as soon as possible. These employees must submit completed forms to the campus Filing Officer by April 2, 2007. Please note: employees in newly designated positions who complete an initial filing statement pursuant to HR 2007-02 are not required to complete an annual form until next year. *As a reminder, the Chancellor's Office does not need to be notified when the filing process is completed.*

III. Procurement Card Holders

Many campuses have distributed Procurement Cards (P-Cards) out to departments and delegated responsibility to individuals to purchase certain types of supplies and services. Campuses should review their P-Card program to

ensure that P-Card holders with authority for making *discretionary purchasing decisions* are on the designated position list with appropriate disclosure categories identified. Campuses need not list all P-Card holders on the designated position list, only those who make discretionary purchasing decisions.

A P-Card holder makes a discretionary purchasing decision when he or she selects the vendor from whom he or she will purchase goods using the P-Card. Many campuses have established contracts with select vendors for specific types of purchases. For example, the campus may have a contract with Office Depot to be used for purchasing office supplies. A P-Card holder does not make discretionary purchasing decisions if he or she purchases from such a designated vendor because the individual decision-making authority has been removed from the P-Card holder. Accordingly, such a P-Card holder would not need to be included on your campus' designated position list. However, if the P-Card holder has the discretion to determine what vendor he or she will use to make the purchase, the holder is making a discretionary purchasing decision and his or her position must be included on the designated position list with the appropriate disclosure categories identified.

#### IV. Principal Investigators

There is no "annual" filing requirement for Principal Investigators (PIs); however, Title 2 regulations require PIs to file a Form 700-U (Statement of Economic Interests for Principal Investigators) before final acceptance of a contract, grant or gift, and when funding for such a contract or grant is renewed. As a reminder, pursuant to CSU policy, Principal Investigators also are required to file a project completion statement within 90 days after the expiration of the grant/contract, or after the funds have been completely expended in the case of a gift. The Form 700-U has been modified to reflect this additional requirement and a copy is attached for campus use.

Principal Investigators must complete the ethics training within 6 months of receiving the grant. Subsequent training is required at least once during each consecutive period of two calendar years that the grant is in place.

#### V. Campus Designated Position List Update Process

For this year's filing, the position list changes campuses submitted in 2006 have been incorporated and a campus-specific Access database disk is attached for campus reporting. Attachment C provides instructions for reporting designated position list changes using the Designated Position List Update Process (DPUP). ***Please submit designated position list changes no later than April 13, 2007, to the Chancellor's Office, attention Pamela Chapin. A pre-addressed return envelope is provided.***

The following information is included with your campus' Conflict of Interest Filing Officer's copy of this memo to assist in the annual filing process:

1. **CSU Disclosure Category Listing (Attachment A)** - Identifies the seventeen (17) disclosure categories.
2. **Campus Designated Position List (Attachment B)** - Updated with changes submitted during the 2006 filing process. This list incorporates the last campus update.

6. **2006-2007 Form 700 Statement of Economic Interests**. Form 700 (schedules and instructions). Filing Officers are required to review completed statements of economic interests ensuring that a completed individual disclosure statement is received, and that the date is indicated in the official date stamp box located in the upper right hand corner of Form 700. (Please refer to the Handbook for further reviewing guidelines.) Copies of Form 700 can be reproduced locally for appropriate employees at your campus. Form 700 also can be accessed electronically via the Internet at: <http://www.fppc.ca.gov>.

7. 2006-2007 Form 700 Statement of Economic Interests Reference Pamphlet.
8. Principal Investigator's Statement of Economic Interests Form 700-U and Instructions for Statement of Economic Interests for Principal Investigators. Form 700-U should be made available to employees "with principal responsibility for a research project funded or supported, in whole or in part, by the contract or grant (or other funds earmarked by the donor for a specific research project, or for a specific researcher) from a non-governmental entity." Pursuant to CSU policy, Principal Investigators are required to file a project completion statement within 90 days after project completion. The Form 700-U has been modified to reflect this additional requirement.
9. Limitations and Other Restrictions on Gifts, Honoraria, Travel and Loans Fact Sheet. This Fact Sheet summarizes the major provisions concerning gifts, honoraria, travel and loans. **The aggregate limitation on gifts, which is biennially indexed for inflation, is \$390 in a calendar year.**
10. Designated Position List Update Process (DPUP) User Guide. This guide provides step-by-step instructions for using the DPUP database system.

## VI. Ethics Training

The revised training program – "Ethics Regulations and the Conflict of Interest Code" - is scheduled for release in mid-to-late March. As in the past, the training is delivered on-line and round the clock and is accessible wherever Web access is available. It is delivered in interactive video format and requires that the hosting computer be equipped with audio (speakers or headphones). Completion time is approximately 90 minutes with testing embedded throughout content. Delays in launching this revised format were due to major technical revisions to comply with new accessibility standards.

In contrast to prior training, only employees in designated positions will be able to access the training by invitation only. The invitations will be prompted from the list of filers submitted by each campus and will be communicated electronically to individual email accounts. Filing Officers will be able to add new filers and monitor completions through the **Perform** learning management system. Reminders will be sent automatically to filers as their training completion date approaches.

Human Resources Administration will host a teleconference for COI Filing Officers on Friday, March 9, 2007, from 10:00 a.m. – 11:30 a.m. to discuss the Access database filing system, the annual filing process, the ethics training requirement and answer campus questions. To register campus participants, please email Renae Klemm at [rklemm@calstate.edu](mailto:rklemm@calstate.edu). Upon receipt of email registration requests, participants will receive the teleconference dial-in telephone number and participant code.

Systemwide Human Resources will continue to operate in an advisory capacity and serve as liaison between the Fair Political Practices Commission and the campuses. Questions should be directed to Pamela Chapin at (562) 951-4414. This document is also available on the Human Resources Administration's Web page at: <http://www.calstate.edu/HRAdm/memos.shtml>.

Title 2, California Code of Regulations, Section 18750 (e) (1) (D) requires that any amendment to the COI code include "written justification for any changes including all changes in or additions to the designations or disclosure responsibilities." General Counsel has created a list of decision-making responsibilities that campuses may use to help indicate the kind of decision-making authority possessed by employees in designated positions. For convenience, the corresponding letters of each listed item (A through F) may be used as a shorthand method for documentation purposes in the statement of reason section of the database form. However, campuses are asked to provide information sufficient to explain the reason for the designated position list change submitted (refer to Attachment D).

The following chart outlines the information that must be submitted for all substantive position changes:

Type of Change	Attach Job Description	Statement of Reason	Example of Statement of Reason (including shorthand codes)
1. New Position	√	√	D – "Newly created position that makes decisions regarding the purchase of equipment for the campus."
2. Job Title Change (only)	N/A	√	"Job title change only – duties remain the same."
Job Title Change (if duties and disclosure category(ies) also change)	√	√	F – "Job title changed with expanded duties to include responsibility for trust fund investments."
3. Disclosure Category Changes	√	√	A, E – "Duties added to include participation in decision making concerning campus master plan."
4. Eliminated Positions	√  (Required only if position ceases to be designated, but still exists.)	√	"Position eliminated."  (If a job has been deleted from list because campus has determined the position no longer meets the COI filing criteria, an explanation must be provided in the Statement of Reason.)
