Summary

Pursuant to federal regulations and CSU policy, each campus is required to maintain and annually update an affirmative action plan. This technical letter requests campuses to submit their current affirmative action plan to the Chancellor’s Office by December 31, 2010.

Campuses who use data based on the new race/ethnicity categories that were recently implemented should read the three technical letters cited above before preparing an affirmative action plan using the new race/ethnicity categories.

The Chancellor's Office will continue the practice of discarding the affirmative action plan you submitted last year unless you notify Ellen Bui by December 31, 2010 that you would like it returned to you. However, campuses are reminded to maintain on file two affirmative action plans, one for the current affirmative action year and one the immediately preceding affirmative action year, consistent with federal recordkeeping obligations. 41 CFR 60-1.12(b).

Questions may be directed to Ellen Bui at (562) 951-4427. This HR memorandum is also available on the Human Resources Administration's Web site at: http://www.calstate.edu/HRAdm/memos.shtml.
