Summary

This technical letter provides a summary of the 2013 MPP Benchmark Salary Survey submitted by campuses. The MPP Benchmark is an internal survey that reports on common MPP positions throughout the CSU.

Human Resources Management (HRM) is pleased to provide you with the 2013 Management Personnel Plan (MPP) Benchmark Salary Report which summarizes results of the MPP Benchmark Salary Survey submitted by all 23 campuses. The report provides summary data for a variety of internal benchmark positions and organizes these positions into six categories: Academic Affairs, Administration and Finance, Executive, Information Technology, Student Affairs, and University Advancement. The following information is provided in the attached report:

- Benchmark job title
- MPP Admin Grade Level(s)
- Total number of incumbents campuses matched to the benchmark job description
- Total number of campuses that reported a match to the benchmark job description
- Average, median, minimum and maximum salary

Also attached for your reference is a benchmark job description list sorted by job title. Only benchmark job titles campuses matched to appear in the final summary report.
Campuses were requested to report position information for active MPP employees as of May 1, 2013. For salary-related data, base pay (full-time rate, not prorated by FTE) was used for comparability purposes. HRM obtained salary data from the Campus Information Retrieval System (CIRS). Foundation and other non-CSU employees are not included. For incumbents in multiple positions, campuses were to match to the position(s) if the incumbent fulfilled all responsibilities of the job. In addition, a campus may have matched more than one incumbent to a benchmark position.
