Informal Time Off Provisions
Informal time off is subject to the following:

- Monthly Rate Employees

  Full-time exempt and non-exempt employees may be allowed a half day informal time off with pay on the last campus working day before the Christmas holiday or the last campus working day before the New Year’s holiday, if the employee is scheduled to work. (Please note this informal time off cannot be used on a day the campus is closed). Less than full-time employees should be provided informal time off on a pro-rata basis.

  Employees required to work these days, or who would be scheduled to work but are on vacation, sick leave, or CTO may be granted the equivalent informal time off prior to June 30, 2015. This time shall not be considered CTO and is not compensable in cash.
- **Hourly Employees**

Hourly employees other than those in Class Codes 1150, 1151, 1152, 1153, 1360, 1868, 1870, 1871, 1872, 1874, 1875, 1876, 2680, 2681, 7171, 7172 and 7930 should be permitted informal time off based on the following table provided that the employee is scheduled to work on the campus’ last work day prior to the holiday closure and is still on active payroll status on that date (has not or will not be separated with a prior effective date):

<table>
