As a reminder, domestic partners are to be coded as "spouse" and children of domestic partnerships coded as "children" until further notice.

**Financial Liability**

Two separate Statements of Financial Liability were provided in HR 2000-01. The CSU form is for dental and vision benefits that were extended through Trustee resolution and the collective bargaining process. The CalPERS form is for the health benefit only. Both forms must be signed by the employee if s/he is enrolling a domestic partner in all eligible benefit programs.

**Tax Implications**

The Chancellor's Office is continuing to work with the State Controller's Office, the Public Employees' Retirement System, and the Department of Personnel Administration to address the taxation of domestic partnership benefits and related issues. We anticipate resolution in the next several weeks and will provide additional instructions at that time.
