Subject: **MPP Public Safety: Critical Response Unit Stipend**

A Critical Response Unit (CRU) stipend has been established to be available for selected Management Personnel Plan (MPP) police personnel with CRU leadership responsibilities, as determined appropriate by the Vice Chancellor of Human Resources. The CRU stipend is paid as a five percent (5%) monthly stipend for a set time period. The stipend is subject to retirement withholding and calculated on the employee's full-time base pay. If and when the stipend is to be paid, the Vice Chancellor of Human Resources will advise the campus in writing of the stipend amount and payment duration. Written authorization of the stipend assignment should be maintained in the employee's personnel file.

Attachment A provides payment instructions for the CRU stipend.
