Subject: Whistleblower Protection Act Requirements

California Government Code §8548 requires the California State University to inform our employees of the California Whistleblower Protection Act (WPA Government Code §§8547 et seq.) Campuses are required to print notices containing information about the WPA and post them in locations where other employee notices are posted. Additionally, the CSU is required to notify employees annually by electronic mail of the provisions of the WPA.

The Bureau of State Audits has posted the electronic mail and poster notices containing the required information on their website, <http://www.bsa.ca.gov/bsa/hotline/respons.html>. Copies are attached for your information. Campuses shall print the poster and add the name, title, campus address and phone number of the campus administrator responsible for compliance with CSU E.O. 821 and E.O. 822.

I have attached a form to monitor compliance with Government Code §8548. Please complete the form and return it to Maria Santos, Senior Director, Employee Relations, by May 31, 2006.

Additionally, effective January 1, 2004, Senate Bill 777 requires the California State University to prominently display a notice informing employees of their rights and employers' responsibilities under Labor Code §1102, which also protects employees from retaliation for whistleblowing activities. A hotline to the State Attorney General's office must be included. SB777 however, exempts the CSU from this posting requirement if we include information about the Attorney General's hotline, 1(800) 952-5225, on the poster and notice required by Gov. Code §8547 described above. Campuses shall also add to the downloaded materials discussed above, the following statement, " You may also call the State Attorney General's confidential hotline, 1 (800) 952-5225 to report improper activities or retaliation." Please note the

similarities of the two hotlines and post them in a manner to avoid confusion (i.e. use different fonts).

Campus Presidents are responsible for compliance with these requirements.

If you have any questions, please call Maria Santos at (562) 951-4425. This HR letter is available on Human Resources Administration's web page at: <http://www.calstate.edu/HRAdm/memos.shtml>.

RE: Ready – Set – Blow the Whistle on State Government Fraud and Waste

The California Whistleblower Hotline -1 (800) 952-5665 - gives you the opportunity to report the improper activities of state agencies or employees.

The Bureau of State Audits (BSA), operator of the Hotline, investigates:

- Illegal acts like theft, fraud, or conflicts of interest by state employees
- Misuse or abuse of state property or time by state employees
- Gross misconduct, incompetence, or inefficiency by state employees

Remember! The BSA can only follow up on state government improprieties. They do not investigate misconduct by federal or local governments or by private businesses or organizations.

- The head of the agency involved
- The attorney general or other enforcement agencies, legislative committees, and any other authority with jurisdiction
- The general public, keeping your identity confidential

YOU'RE PROTECTED BY STATE LAW

The California Whistleblower Protection Act goes to bat for you.

- It requires the BSA to protect your identity (except from law enforcement).
- It helps guard against intimidation, threats, or coercion by state employees that could interfere with your right to disclose improper government activities.
- It shields you from reprisal, retaliation, threats, or coercion for reporting such information.

IF YOU EXPERIENCE RETALIATION, SPEAK UP!

- If you're a state employee, contact the State Personnel Board in writing at 801 Capitol Mall, MS53, Sacramento, CA 95814. For additional information, call (916) 653-1403.
