and Supplement #1

Subject: FY 2007/08 Parking Fee Increase Implementation Schedule for Faculty

Pursuant to Article 32 of the Faculty collective bargaining agreement (CBA), parking fees will be increased by the percentage amount of the General Salary Increase (GSI). Parking fees for faculty employees were increased by three percent (3%) effective with the July 2007 pay period to correlate with the 3% GSI effective July 1, 2006 for FY 2006/07. For FY 2007/08, parking fees will be increased by 4.7% to reflect the FY 2006/07 June 30, 2007 1% general salary increase and the FY 2007/08 July 1, 2007 3.7% GSI. FY 2007/08 parking fee increases for Faculty will be reflected in the October 2007 pay period warrants (issue date November 1, 2007).

2007/08 student parking fee rates were validated by the campuses and the State Controller's Office (SCO) will use those rates to implement parking fee increases. Attachment A denotes the validated 2007/08 student parking fee rates. This attachment has been updated to indicate the current rates paid by Faculty in consideration of the recent three percent (3%) increase effective with the July 2007 pay period. The SCO will implement the automated process to increase parking fee rates for faculty during the week of October 15, 2007. As a reminder, please note the following:

1. Deduction rates will not be rounded. The 2nd decimal result establishes the deduction amount. Examples:
 $\$10.81 \times 4.7\% = \11.318 . In this instance, the parking deduction rate = \$11.31
 $\$12.36 \times 4.7\% = \12.940 . In this instance, the parking deduction rate = \$12.94
2. The SCO will implement Faculty employee parking fee increases based upon the deduction code(s) assigned to a given campus and the 2007/08 student parking fee rate indicated for that respective campus. This is particularly important to note for employees appointed at another campus whose deduction code is applicable to a prior or concurrent campus. Example:

<u>Deduction Code</u>	<u>Campus</u>	<u>2007/08 Student Rate</u>
360-100	Fullerton	\$32.00

In this instance, if an employee's deduction code = 360-100, a parking fee increase of 4.7% will be implemented by the SCO regardless of where the employee is currently appointed (e.g., Long Beach, Dominguez Hills, Monterey Bay, etc.), not to exceed the 2007/08 Student Rate for the Fullerton campus.
