EFFECT OF AGREEMENT

Therefore, the Employer and the Union each voluntarily relinquishes and waives the right, and each agrees that the other shall not be obligated at any time during and throughout the term of this Agreement, to bargain

collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

- 3.2 This Agreement constitutes the entire agreement between the parties and supersedes all previous agreements, understandings, policies, and prior practices related to matters included within this Agreement. It is understood that, in the absence of a specific expressed provision in this Agreement to the contrary, all CSU policies and procedures are at the discretion of the Employer.
- 3.3 The CSU shall provide notification to the Union of proposed changes in written systemwide policies affecting wages, hours and conditions of employees in the bargaining unit during the term of this Agreement. Whenever possible, such notice shall be prior to the implementation of changes in such policies. Upon written request of the Union, the CSU shall meet and confer regarding the impact of such changes on the bargaining unit.

Savings Clause

- 3.4 If any provisions of the Agreement are held to be contrary to law by a court of competent jurisdiction or governmental administrative agency having jurisdiction over the provisions, such provisions will be considered invalid except to the extent permitted by law, but all other provisions of the Agreement shall remain in full force and effect.

Any such invalidated provision shall, at the request of either party, be subject to negotiation between the parties but in no event shall the result of such negotiations circumvent the law.

ARTICLE 4

UNION RIGHTS

- 4.1 The Union shall have the right, upon providing reasonable advance notice to the appropriate administrator, to reasonable use of CMA facilities, not otherwise in use, including plant operations shop areas and boathouse areas. Use of CMA areas shall be at no cost. The Union shall bear the actual cost incident to such use including, but not limited to, set up, cleaning and overtime. The Union agrees that use

of CMA facilities shall be restricted to union meetings and training workshops. The Union further agrees that the activities shall be restricted to non-worktime and shall not interfere with CMA programs. Nothing contained herein shall guarantee to the Union the use of CMA facilities if no such facilities are available, or the use of facilities which require the payment of fees.

- 4.2 The Union shall bear the cost of all CMA materials and supplies incident to any union meeting or union business conducted at the CMA.
- 4.3 Intra-campus mail service shall be available for union business. Reasonable use of CMA mail facilities shall be provided at no cost to the Union for communicating with bargaining unit members. The Employer shall be held harmless for the delivery and security of such mail and the Employer shall not bear the cost of moving union mail through the U. S. Postal Service or any private commercial delivery system. Such mailings must be of a reasonable size and volume and prepared by the Union in accordance with CMA mail policy. The term "no cost" as used in this Article shall be exclusive of actual overtime costs or extraordinary clean-up costs incurred by the CSU in complying with the provisions of this Article. Such costs shall be borne by the Union. When a meeting request is submitted and the Union inquires, the CSU shall inform the Union whether or not costs shall be charged.
- 4.4 The Employer shall provide an open-faced mailbox or equivalent at the CMA Department of Plant Operations and the boathouse facilities. The Employer shall determine the location of such mailboxes and shall not be required to bear the cost of providing such mailboxes.

- 4.7 The CMA Personnel Office shall provide to the Union, upon written request, a written notice of new employees hired into the unit. The notice shall include the name and classification of each employee. Home addresses of new hires shall be provided to the Union unless the employee requests in writing that the Union not receive his/her address. The Personnel Office shall provide to the Union an annual written notice of employees who have terminated their employment

and an annual list of employees who are on a leave of absence of over one (1) month. These notices shall be provided in a timely manner.

- 4.8 The Union will provide the CMA and the Office of the Chancellor with a written list of designated union stewards and union representatives. Changes to the list shall be brought to the attention of the CMA and Office of the Chancellor as soon as possible and confirmed in writing in a timely manner.
- 4.9 The Union shall be granted a reasonable amount of release time for purposes of official meet and confer sessions with the Employer. Not more than three (3) employees shall be provided with release time for official meet and confer sessions unless the parties mutually agree otherwise. Such information shall be provided within a reasonable period of time. The Union may be required to bear the cost of such information, if there is a cost associated. It is understood that this Article shall not be construed to require the CSU to develop or compile any information or data in a form not already compiled.
- 4.11 Union business involving employees shall be conducted during non-worktime except as provided for elsewhere in this Agreement. Union business shall not interfere with CMA programs or operations.
- 4.12 The appropriate administrator shall be notified of the presence of union representatives and officers who are not CMA employees either upon arrival at the CMA or by telephone in advance of arrival.
- 4.13 An employee shall not suffer reprisals for participating in union activities.
- 4.14 It is the intent of this Article to provide for payroll deduction of dues for IUOE members to be deducted from their pay warrants insofar as permitted by law. The CSU agrees to deduct and transmit to IUOE all authorized deductions from all IUOE members within the unit who

have signed approved authorization cards for such deduction on a form provided by IUOE, less necessary administrative costs incurred by the State of California.

- 4.15 The amount of dues deducted from IUOE's members' pay warrants shall be set by IUOE and changed by the CSU upon written request of IUOE.
- 4.16 Employees shall be free to join and participate in the Union or not to join and participate in the Union.
- 4.17 IUOE agrees to indemnify, defend, and hold the CSU harmless against any claim made of any nature and against any suit instituted against the CSU arising from its payroll deduction for IUOE dues and deductions.
- 4.18 The written authorizations for IUOE dues deduction shall remain in full force and effect during the life of this Agreement provided, however, that any employee may withdraw from IUOE by sending a withdrawal letter to IUOE within thirty (30) calendar days prior to the expiration of this Agreement.
- 4.19 Upon movement of an employee out of the bargaining, the employee may elect to withdraw from IUOE.

ARTICLE 5

ARTICLE 6

CONTRACTING OUT

- 6.1 The decision to contract out work is the prerogative of the Employer. When determining whether or not to contract out work, the CMA shall make every reasonable effort to perform normal bargaining unit work with bargaining unit employees.
- 6.2 The CSU shall notify the Union regarding contracting out work on a long-term basis. When possible, notification shall be prior to implementing a contract. The Union may request to meet and confer on the impact of bargaining unit work being contracted out on a long-term basis. The CSU shall meet with the Union for this purpose within thirty (30) days of such a request.

ARTICLE 7

CONCERTED ACTIVITIES

No Strike

- 7.1 During the term of this Agreement, neither the IUOE nor its agents, for any reason, will authorize, institute, aid, condone or engage in a work slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of the California Maritime Academy or the California State University.
- 7.2 IUOE agrees to notify all of its officers, representatives and staff of their obligation and responsibility for maintaining compliance with this Article, and to encourage employees violating this Article to return to work.
- 7.3 Employees shall not engage in strikes or other concerted activity.

No Lockout

- 7.4 No lockout of bargaining unit employees shall be instituted by the California Maritime Academy or the California State University during the term of this Agreement.

ARTICLE 8

NON-DISCRIMINATION

- 8.1 It is the policy of the CSU to prohibit discrimination against bargaining unit employees on the basis of race, color, religion, national origin, sex, sexual preference, marital status, pregnancy, age, disability, or veteran's status. This shall not be subject to Article 9, Grievance Procedure. Allegations of discrimination by bargaining unit employees shall be subject to the complaint resolution procedure provided in CSU Executive Order 419.

ARTICLE 9

Definitions

- 9.1 Grievance - The term "grievance" as used in this Article refers to a written allegation that there has been a violation, misapplication, or misinterpretation of a specific term(s) of this Agreement. In no event may a grievance be based on an event or circumstances arising from an event that took place prior to the effective date of this agreement.
- 9.2 Grievant - The term "grievant" as used in this Article shall mean a bargaining unit employee(s), excluding temporary employees employed for less than thirty consecutive days, who alleges in a grievance that he/she has been directly wronged by the alleged violation, misapplication, or misinterpretation of the specific term of this Agreement. The term grievant may also refer to the Union when alleging a violation of union rights as provided for in this Agreement.
- 9.3 Immediate Supervisor - The term "immediate supervisor" as used in this Article refers to the appropriate non-bargaining unit supervisory or management person to whom the employee is accountable.
- 9.4 Representative - The term "representative" as used in this Article shall be an employee or representative of the Union who at the grievant's request may be present at Levels I through III. Representation of the employee at Level IV shall be by a Union Representative only.

- 9.5 Respond and File - The terms "respond" and "file" as used in this Agreement refer to personal delivery or deposit in the U. S. mail, postage prepaid. If mail delivery is used, it shall be by certified, return receipt requested mail and the date mailed shall establish the date of response or filing. If personal delivery is used, the calendar date of delivery shall establish the date of response or filing.

Level I - Informal Review

- 9.6
- a. The informal review procedure is provided to encourage the informal resolution of grievances at the lowest possible level. Before filing a formal written grievance, the employee shall attempt to resolve the problem by an informal conference with the Plant Operations Director or appropriate administrator no later than fourteen (14) days after the event giving rise to the problem or no later than fourteen (14) days after the employee knew or should have known of the event giving rise to the complaint.
 - b. The Plant Operations Director or appropriate administrator shall provide an answer to the employee no later than ten (10) days after the Level I meeting.
 - c. A resolution of the problem at the informal level shall not be precedent setting.

Level II - Formal

- 9.7
- a. If the problem is not resolved through Level I informal discussions, the employee may file a Level II grievance with the President or the President's designee no later than fourteen (14) days after receipt of the response at Level I. The grievant shall state clearly and concisely on a grievance form provided by the CSU:
 - 1) the specific terms(s) of the Agreement alleged to have been violated;
 - 2) a description of the grounds of the grievance including names, dates, places, and times necessary for an understanding of the facts of the grievance;
 - 3) the remedy sought;
 - 4) the name, classification, signature, and address of the grievant;

- 5) the name and mailing address and telephone number of the grievant's representative, if any; and
 - 6) the date of submission.
- b. The President or the President's designee shall hold a meeting with the grievant and the grievant's representative, if any, at a mutually acceptable time and location within seven (7) days of receipt of the grievance. The President or the President's designee shall respond in writing to the grievant within twenty-one (21) days of the Level II meeting.
 - c. The parties shall present at Level II all issues and evidence known or which could have been reasonably known that are related to the grievance. Allegations may not be modified after completion of Level II procedures.

Level III

- 9.8
- a. In the event the grievance is not settled at Level II, the grievant may file a written request for review with the Office of the Chancellor no later than fourteen (14) days after receipt of the Level II response. The grievant shall attach a copy of the Level I response, if any, and the Level II response together with any documents presented at these levels.
 - b. A designated individual in the Office of the Chancellor and the representative of the grievant shall schedule a conference at the Office of the Chancellor for the purpose of reviewing the matter within fourteen (14) days of the receipt of the Level III appeal. The designated individual in the Office of the Chancellor shall respond no later than twenty-one (21) days after the conference.
 - c. If the grievance has not been settled at Level III, the Union alone may, no later than thirty (30) days after receipt of the Level III response, file a request for arbitration by giving notice to that effect by certified mail, return receipt requested, directed to Employee Relations, Office of the Chancellor.

Level IV

9.9 The arbitration procedure shall be conducted in accordance with the rules of the American Arbitration Association, subject to the provisions below:

The Union and the Office of the Chancellor shall either agree mutually on an acceptable arbitrator or shall jointly request the American Arbitration Association to supply a list of names pursuant to its rules. Upon receipt of the names of proposed arbitrators, the parties shall alternately strike names from the list until one (1) name is ultimately designated as the arbitrator. The decision as to which party strikes first shall be determined by lot.

9.10 If an arbitrability question exists, the arbitrator shall determine the arbitrability question prior to hearing the merits of the grievance. The arbitrator may proceed to hear the merits of the grievance prior to meeting the requirements of provision 9.12 below.

- a. When the grievance is found not arbitrable, the grievance shall be deemed null and void.
- b. When the grievance is found to be arbitrable, the arbitrator shall hear the merits of the grievance.
- c. Provision 9.10 above shall not prohibit the parties from mutually agreeing to a second arbitration hearing on the merits of the grievance or from mutually agreeing to select a second arbitrator to hear the merits of the grievance.

9.11 The arbitrator's award shall be in writing and shall set forth his/her findings, reasoning, and conclusions on the issue(s) submitted.

9.12 It shall be the function of the arbitrator to rule on the specific grievance. The arbitrator shall be subject to the following limitations:

- a. The arbitrator's award shall be based solely upon the evidence and arguments appropriately presented in the hearing and upon any post-hearing briefs.
- b. The arbitrator shall have no power to alter, add to, detract from, or amend the provisions of this Agreement.

- c. The arbitrator shall not consider any issue not raised by the parties at Level III of this Article. The arbitrator shall not consider any evidence which was known or reasonably should have been known and not raised by the parties at Level III of this Article.
- d. Under no circumstances may an arbitrator make an award that substitutes the arbitrator's judgment for the President's judgment or business decisions in areas of professional discretion.
- e. The award of the arbitrator may or may not include back pay. Any back pay award shall not exceed one (1) year's salary less any compensation that the employee received, including unemployment compensation. Under no circumstances may interest be included in the award.
- f. The standard of review for the arbitrator is whether the CSU violated, misapplied, or misinterpreted a specific term(s) of this Agreement.

9.13 The arbitrator's award shall be final and binding on both parties.

9.14 A witness who is an employee shall be excused from worktime to appear at an arbitration hearing with no loss of pay. Other expenses of any witness called before the arbitrator shall be borne by the party calling the witness.

9.15 Each party shall bear the expense of preparing and presenting its own case. The cost of arbitration, excluding advocate, unilateral withdrawal, postponement, or cancellation fee, shall be borne equally by the parties.

9.16 The process to schedule a grievance for an arbitration hearing shall be initiated by a written request from the representative of the Union to the designated individual in the Office of the Chancellor. The request shall be for the parties to select an arbitrator pursuant to provisions 9.9 above.

9.17 Grievances with continuing financial back pay liability shall be scheduled in chronological order for arbitration prior to the scheduling of grievances with no continuing financial back pay liability. The parties recognize that from time to time it may be in the interest of both parties to schedule by mutual agreement cases for arbitration in other than chronological order. Absent such mutual agreement, arbitration hearings shall be scheduled in the same chronological order in which each case was appealed to arbitration.

- 9.18 Any grievance filed into arbitration shall be considered withdrawn by the Union if it has not been scheduled within nine (9) months of the filing to arbitration from Level III. Within the nine (9) months the parties shall confirm with an arbitrator that a hearing date has been set.

General Provisions

- 9.19 Wherever a time limit is provided by this Article, the parties may extend the period only by mutual consent.
- 9.20 When hearings or meetings are held under this Article on CSU time, unit members who are entitled to attend hearings, or who are called as witnesses by a party, shall be excused for that purpose from other duties without loss or penalty.
- 9.21 No reprisals shall be taken against any unit member for the filing and processing of any grievance.
- 9.22 In cases where it is necessary for the grievant or his/her representative to have access to information for the purpose of investigating a grievance, the grievant or his/her representative shall make a written request for such information to the appropriate administrator a reasonable amount of time before such information is needed. The appropriate administrator shall provide such information to the requesting party within a reasonable amount of time after the request for the information is made.
- 9.23 A grievance settled prior to arbitration shall be binding only as to that particular grievance and shall not be precedent setting.
- 9.24 By mutual agreement, the parties may consolidate grievances on similar issues at any level of the grievance procedure.
- 9.25 By mutual agreement, a grievance may be filed at the step at which the authority to resolve the grievance resides.
- 9.26 Prior to filing a grievance, the potential grievant and representative, if any, shall each be provided with one (1) hour release time for grievance preparation and reasonable time for grievance presentation at the Informal Review.
- 9.27 After the grievance has been filed, a representative and the grievant shall be provided reasonable release time for the purpose of preparation and presentation of the grievance.

- 9.28 The procedures for securing release time for grievance processing shall be:
- a. Representatives and potential grievants shall contact the Director of Plant Operations or designee or appropriate administrator if release time is required.
 - b. The Director of Plant Operations or designee or appropriate administrator shall grant the contractually specified release time after considering the needs of the operation of the CMA.
 - c. Requests for release time shall include who the representative or potential grievant desires to see; the time and location; and the estimated duration of the meeting.
- 9.29 A grievant may withdraw a grievance at any time. The grievant shall not file any subsequent grievance on the same incident.
- 9.30 If the Employer fails to respond within the designated time limits, the grievance may be appealed to the next step of this grievance procedure. If the grievance is not appealed within the applicable time limits, the grievance shall be considered settled on the basis of the Employer's last answer and shall not be subject to further review.
- 9.31 Grievances filed and unresolved prior to the effective date of this Agreement shall be deemed void.
- 9.32 Grievance records shall be filed separately from an employee's personnel file and shall be considered confidential.
- 9.33 An employee may present grievances and have such grievances adjusted without union representation as long as adjustment is not inconsistent with the terms of a written agreement then in effect; and provided that the employer will not agree to resolution of the grievance until the Union has received a copy of the grievance and the proposed resolution.
- 9.34 During release time granted for grievance preparation, the Union representative and the grievant shall be permitted to use campus telephones provided that the use of such telephones does not interfere with campus business nor result in any expense to the campus. The CSU has the right to refuse the use of campus telephones if abuses occur.

ARTICLE 10

CORRECTIVE ACTION

Reprimands

- 10.1 An employee may receive from an appropriate administrator an oral and/or written reprimand. Oral and written reprimands shall be considered corrective action.
- 10.2 An employee may request a conference with the administrator who issued the reprimand to discuss the reprimand. Such a request shall not be unreasonably denied. The employee may be represented at such a conference by another employee or a Union Representative. Upon the employee's request, there shall be a review of the written reprimand at the next level of supervision.

All claims for such meal reimbursements must be supported by a receipt and a voucher. The time taken to consume such meals will not be included in the computation of overtime for the purposes of this allowance.

1. whether the employee was absent for five (5) consecutive work days;
 2. whether the employee had proper authorized leave to be absent; and
 3. whether the employee should be or is being terminated by automatic resignation. If an action other than automatic resignation is proposed, it shall be stated along with the reasons for its use.
- d. Any employee who is terminated by the President under this provision may, within twenty-one (21) days after mailing of the President's decision, request a hearing of the matter by the State Personnel Board as provided in Section 89539 of the Education Code. A request for a hearing by the State Personnel Board must be filed with the State Personnel Board with a copy to the President within the twenty-one (21) day time requirement noted above.
- e. Any employee who is reinstated under this provision shall not be paid salary for the period of unauthorized absence.
- f. Provision 16.1 of this Article shall supersede Section 89541 of the California Education Code.

Other Leaves of Absence Without Pay

- 16.2 A permanent employee is entitled to a maternity leave without pay of up to twelve (12) months upon her written request. At least thirty (30) days prior to the ending date of the leave, the employee shall inform the appropriate administrator in writing of her intention to return from leave. Changes in the terms of the leave may be made by mutual agreement of the appropriate administrator and the employee.
- 16.3 A full-time or part-time permanent employee may be granted a full or partial leave of absence without pay for up to one (1) year.
- 16.4 Leaves of absence without pay may be granted in accordance with this Article for the following purposes or reasons:
- a. loan of an employee to another governmental agency;
 - b. outside employment that would lessen the impact of a potential layoff or a layoff;

- c. temporary incapacity due to illness or injury;
- d. Family Leave; and
- e. other satisfactory reasons.

Leaves without pay granted for "c" above shall also be subject to Article 15, Leaves of Absence with Pay. Periods of disability related to pregnancy are subject to the provisions of Article 15, Leaves of Absence With Pay.

- 16.5 A written application for a leave of absence without pay or an extension of a leave of absence without pay shall be submitted to the appropriate administrator. The appropriate administrator shall determine if such a leave shall be granted and the conditions of such a leave.
- 16.6 An employee who is on a leave of absence without pay shall not return to active pay status prior to the expiration of such a leave without written approval of the appropriate administrator.
- 16.7 Service credit shall not be granted to an employee on a leave of absence without pay.
- 16.8 A leave so granted assures to the employee a right to return to his/her former position or a position within his/her classification upon expiration of the leave and the time lost shall not constitute a break in service.
- 16.9 When requested by the appropriate administrator, an employee granted a leave of absence without pay shall provide verification that the conditions of the leave were met.
- 16.10 An employee on a leave of absence without pay for more than fifteen (15) days may opt to continue his/her fringe benefits at his/her own expense. Upon written request of an eligible employee as defined in Article 25, Benefits, the CSU shall provide a system for the continued payment of his/her insurance premiums including health, dental, and vision benefits during the period of unpaid leave of absence. During this period, such an employee shall pay both the employee's and the CSU's contributions. The CSU shall not advance such payments. Such an employee shall pay all contributions prior to the date each payment is due. Failure to pay such premiums will result in coverage lapsing unless the employee makes other arrangements.

Family Leave

- 16.11 An employee who has at least one (1) year of service is entitled to a family leave without pay.
- 16.12 Eligible employees may take up to a total of twelve (12) weeks of family leave in a twelve (12) month period.
- 16.13 An employee may be granted family leave for the birth of a child of the employee, the placement of a child with an employee in connection with the adoption/foster care of the child by the employee; or to care for a child, parent or spouse of the employee who has a serious health condition; or for the employee's own serious health condition.
- 16.14 For family leave taken for reason of the birth of a child or adoption/foster care of a child by an employee, any leave taken shall be initiated within one (1) year of the birth of a child or placement of child with the employee in the case of adoption/foster care.
- The period of the family leave granted to an employee for the birth of a child shall run concurrently with the period of leave available to an employee under Education Code Section 89519 or provision 19.2.
- 16.15 The amount of family leave that may otherwise be granted under this Article may be reduced by the amount of family leave granted to an employee for reasons set forth under provisions 19.11 through 19.19.
- 16.16 Before granting a family leave for the serious health condition of a child, parent or spouse, the employer may require certification of the serious health condition from the health care provider.
- 16.17 Upon expiration of the period which the health care provider originally estimated the employee needed to care for the child, parent or spouse, the employer may require the employee to obtain re-certification if additional leave is requested.
- 16.18 Family leave shall be leave without pay except that an employee must utilize all accrued vacation and CTO that he/she is otherwise eligible to take during the otherwise unpaid period of the family leave.
- 16.19 An employee may use accrued sick leave during the period of family leave upon mutual agreement between the employee and appropriate administrator. Such requests for sick leave shall be made in accordance with Article 15 of this Agreement.

- 16.20 Family leave is separate and distinct from the right of a female employee to take a pregnancy disability leave under Government Code Section 12945, subdivision (b) (2). If a female employee takes part or all of the maximum four (4) months of pregnancy disability leave, she may request up to twelve (12) weeks additional family leave for reason of the birth of her child, or due to her own serious medical condition. Any combination of family leave and pregnancy disability leave shall run concurrently with the period of maternity leave available to a permanent employee pursuant to provision 16.2 of this Article.
- 16.21 An employee shall provide the employer with written notice of a need for family leave within five (5) working days of the date the event necessitating the leave becomes known to the employee.
- 16.22 If the employee's need for family leave is foreseeable due to the planned medical treatment or planned supervision of a child, parent or spouse with a serious health condition, the employee shall provide the employer regarding the scheduling of the treatment or supervision so as to minimize disruption of the operations of the employer.
- 16.23 Family leave may be deferred until the employee complies with the provisions of this Article.
- 16.24 A family leave so granted assures to the employee a right to return to his/her former position or a comparable position upon expiration of the family leave. If the former position and any comparable position has ceased to exist due to legitimate business reasons unrelated to the leave, the employer shall make reasonable accommodation by alternative means only if such alternate means would not cause an undue burden on the campus. The family leave shall not constitute a break in service for the purposes of length of service and/or seniority under this Agreement.
- 16.25 An employee on family leave shall retain employee status and shall continue to accrue seniority points pursuant to this Agreement during the period of the family leave care. During a family leave an employee may continue to participate in benefits to the same extent and under the same conditions as would apply to any other personal leave of absence without pay pursuant to this Agreement. However, if any paid portion of the family leave is less than twelve (12) weeks, upon request of the employee to continue coverage, the CSU shall continue to make employer contributions toward health, dental and vision coverage for the unpaid remainder of the twelve (12) week period. If an employee fails to return at the end of the family leave,

the CSU may require repayment of the insurance premiums if the employee's failure to return is due to his/her serious health condition or due to circumstances beyond the employee's control.

- 16.26 The leave of absence of a temporary employee eligible for such leave pursuant to this Article shall terminate upon the expiration of that employee's temporary appointment.

ARTICLE 17

APPOINTMENT

- 17.1 All positions in the bargaining unit that are to be filled, except for temporary positions of thirty (30) days or less, shall be posted on a designated bulletin board at the CMA.
- 17.2 Such position vacancies shall be posted as soon as possible and shall include the classification title, description of duties, desirable experience, minimum qualifications, salary range, and procedures to be followed by applicants applying for such vacancies. Except for the posting of temporary positions of thirty (30) days or less, position vacancies shall normally be posted for a period of not less than 10 days prior to the deadline to apply. Applications shall be submitted to the CMA Personnel Office.
- 17.3 The President shall make appointments.
- 17.4 Appointments may be to temporary, probationary, apprentice or permanent positions. Appointments shall be made through official written notification by the President. No employee shall be deemed to be appointed in the absence of such official written notification from the President. Such notification shall include the class title and timebase to which the employee is being appointed, the initial salary, the employment status of the employee, and the effective date of the appointment.

Temporary appointments shall also specify the expiration date of the appointment. Upon expiration, a subsequent temporary appointment may be made. Temporary appointments may provide for separation of the employee prior to the expiration date of the appointment and shall specify that any employment in temporary status shall not be credited as a period of probationary service as defined in this Agreement. Such a separation shall not be subject to Article 30, Layoff, or Article 9, Grievance Procedure. No employee shall be deemed to be appointed in the absence of such official written notification from the President.

- 17.5 New employees are normally appointed to the first step of the salary range established for the class. The President may make an initial appointment at an advanced step when recruitment difficulties and/or special skills possessed by the applicant and required by the position mandate such action.

On Campus Vacancies

- 17.6 "On Campus Vacancies" are defined as positions which are permanent and have more (or will have more after current posting) than a single incumbent at CMA for classifications represented by IUOE when (a) there is no incumbent for the position or (b) there is a change to the work schedules or (c) management decides to post the work schedule.
- 17.7 Employees holding permanent status in the same classification as the "On Campus Vacancy" may file a request in writing with his/her Department to be reassigned should a position become vacant. For such a request to be considered it must be given in writing to a designated member of supervision prior to the position becoming vacant.
- 17.8 When a vacancy occurs, he/she shall be given preference over applicants not employed by CMA or not in the classification of the vacant position.
- 17.9 If more than one employee in the classification has the required skills and abilities and is otherwise qualified for the vacant position, the employee with the greatest amount of CMA service in the classification shall be selected.
- 17.10 This section does not preclude management from transferring employees for security or safety reasons or filling the vacant position with another employee for training purposes for a period not to exceed 35 working days.
- 17.11 When there are no employee requests to be reassigned on file or where there are no other employees in the same classification as the vacancy, this section shall not apply.

ARTICLE 18

PROBATIONARY PERIOD

- 18.1 The term "probationary period" as used in this Article shall mean a period of continuous credited service an employee shall be required to serve prior to becoming eligible for permanent status.
- 18.2 A probationary employee is a full-time employee serving a period of probation. All probationary employees shall serve an initial probationary period of twelve (12) months of continuous full-time credited service. The President may grant, upon recommendation of the Director of Plant Operations, permanent status at any time prior to the completion of the twelve (12) month probationary period.
- 18.3 A probationary employee who successfully completes twelve (12) months of continuous full-time credited service shall be awarded permanent status on beginning his/her second year of such service.
- 18.4 Probationary periods for employees who are promoted to a higher classification within the bargaining unit shall be twelve (12) months of continuous credited service from the date of promotion.
- 18.5 Persons who are appointed to nonacademic positions that are fully or partially funded from sources other than the CSU, and/or the funding is in support of a program of work relief or work training for the utilization of the unemployed or the under employed, will not receive service credit toward permanent status while serving in such positions.
- 18.6 When a probationary employee goes on a leave of absence the President shall determine whether or not the time served before the leave is counted in determining the remaining length of probationary service. An employee's probationary period is extended for the same number of days such employee is on WC, IDL, NDI, formal LWOP or paid sick leave of over thirty (30) days. The President shall determine if there has been a break in service when a full-time probationary employee is placed on a partial leave of absence.
- 18.7 If a reclassification action is taken and the employee is placed in the new class, the employee may be required to serve a new probationary period. Any time spent performing the work of the new class may be counted toward the new probationary period.

Rejection During Probation

- 18.8 Any probationary employee may be separated from service at any time by the President upon written notice of rejection during probation. The employee normally should be given two (2) weeks notice of rejection during probation. An action to reject an employee shall not be initiated while an employee is on WC, IDL, or NDI, unless the employee's performance prior to the application for WC, IDL, or NDI justified rejection and an action to reject the employee had been initiated.
- 18.9 If a full-time employee with permanent status in a lower classification is advanced to a position in a higher classification and is denied permanent status in the higher classification, he/she shall have the right to return to the lower classification with permanent status in that class.
- 18.10 Prior to the completion of a probationary period, an employee may be released from employment at the sole discretion of the CSU.
- 18.11 The probationary or permanent status of a bargaining unit member at the California Maritime Academy on June 30, 1995 shall remain in effect at the California Maritime Academy, CSU system subject to this Agreement.
- 18.12 The President shall waive the probationary period for a bargaining unit employee a) who held a non-probationary or non-permanent appointment at the CMA for twelve consecutive months immediately prior to July 1, 1995, and b) who receives, during the duration of this Agreement, a probationary appointment in the same classification.

- 19.9 The term "evaluator" as used in this Article refers to the person designated by the appropriate administrator to conduct the performance evaluation of an employee.
- 19.10 The content of performance evaluations shall not be subject to the provisions of Article 9, Grievance Procedure. If a personnel recommendation or decision is based upon any other written materials, the CSU shall provide a copy of such material to the employee in a timely manner, upon the employee's request.
- 20.4 Employees shall not have access to pre-employment materials, except in instances when the material is used in subsequent personnel actions.
- 20.5 Attendance and payroll records of an individual employee maintained separately from the personnel file may be inspected and copied in accordance with the provisions of sections 20.1a-d and section 20.2 of this Article.

- 20.7 Employees' personnel files shall be held in strict confidence and shall be subject to inspection only by persons with official business.

- 20.8 An employee shall be provided with a copy of any letters of commendation or adverse material placed in his/her personnel file within ten (10) days of such placement.
- 20.9 If, after examination of his/her records, an employee believes that any portion of the material is not accurate, the employee may request in writing correction of the record.

- 20.11 An employee may submit a rebuttal statement to material in his/her personnel file which shall be placed in the employee's personnel file.

ARTICLE 22

ASSIGNMENT/REASSIGNMENT

- 22.1 An employee shall be assigned/reassigned to a position by the appropriate administrator. Such assignments shall be consistent with the employee's classification except as provided elsewhere in this Article. It is expressly agreed that the application or interpretation of this section shall not require any change of the classification of any unit member.
- 22.2 An employee may be temporarily assigned, on a de minimus basis, to perform other duties inconsistent with his/her classification or may be reassigned to a position in a higher classification for which he/she is qualified.

Out-of-Classification Assignments

- 22.3 An employee who has received written notice from his/her appropriate administrator that he/she will be serving in such a full-time temporary assignment in a higher classification on an acting basis, pursuant to provision 22.2 above for longer than fifteen (15) consecutive calendar days shall be entitled to receive extra pay commencing with the sixteenth (16) day or earlier at the discretion of the President. The employee's rate of pay for temporary reassignment in a higher classification shall be no less than five (5) percent over his or her regular rate and may be greater than five (5) percent if so determined by the President.

- 22.4 If any such future reassignment within a twelve (12) month period occurs which extends for more than five (5) consecutive working days, the employee shall receive the appropriate compensation of the higher classification as determined by the President from the first day of such a reassignment. Days on which an employee is absent from work or on a paid leave shall not constitute a break in "consecutive work days" as the term is used in this Article.
- 22.5 After forty-five (45) consecutive days in a less than full-time temporary assignment at a higher classification, an employee shall begin to receive the appropriate compensation in accordance with provision 20.3 on a pro rata basis commencing with the forty-sixth (46) day.

- 22.8 Employees will not be rotated in and out of temporary reassignments in higher classifications for the sole purpose of avoiding implementation of the extra pay provisions of this Article.

Classification Review

- 22.9 An employee may request a classification review of his/her position from his/her immediate non-bargaining unit supervisor who shall forward the request to the campus Personnel Office.
- 22.10 The classification review procedures shall be determined by the President. A copy of the classification review procedures shall be made available to the employee upon request.

Within thirty (30) days, the Union may request to meet with the CSU in regard to the matters under development. CSU shall meet with the Union to receive input at least once in the preparatory stages of classification development or revision. Any additional meetings shall be by mutual agreement of the CSU and the Union. Upon request of the Union, the CSU will provide to the Union proposed classification specifications when such specifications are available.
- 22.14 The CSU shall notify the Union thirty (30) days prior to the effective date of new or revised classifications relating to bargaining unit employees.
- 22.15 Prior to the implementation of a new or revised classification, a three (3) step procedure may be invoked as follows:
- a. The Union may request a meeting to discuss whether the new or revised classification and its salary is appropriate for the bargaining unit. Such a meeting shall be held. The parties may agree in writing to modify the unit to include the new classification.
 - b. The Union may request a meet and confer session regarding the impact of the new or revised classification on bargaining unit members and the compensation provisions for such new or revised classifications.
 - c. If the parties are in disagreement, either may seek a unit modification pursuant to the procedures established by PERB.

ARTICLE 24

SALARY

- 24.1 The salary schedule for bargaining unit employees shall be found in Appendix A and incorporated in this Agreement by reference.
- 24.2 For each classification and salary range, there shall be a Minimum Salary Rate, a Journey Level Salary Rate, and a Performance Maximum Salary Rate. The range between the Minimum Salary Rate, the Journey Level Salary Rate, and the Performance Maximum Salary Rate, shall be an "open range" with no incremental salary steps. For the classifications of CMA Stationary Engineer and CMA Chief Engineer, the Minimum Salary Rate and the Journey Level Salary Rate shall be the same amount.
- a. The Journey Level Salary Rate is the maximum rate that an employee's salary may reach through Service-based Salary Increases.
 - b. For each classification and salary range, there shall be a Performance Maximum Salary Rate that is ten percent higher than the Journey Level Salary Rate.
- 24.3 Each incumbent employee shall be assigned to a salary rate within the salary range appropriate to his/her classification. New hires shall be assigned to the Minimum Salary Rate.
- 24.4 The funds negotiated for merit and other increases provided in this Article 24 for fiscal year 1998/99 shall be effective July 1, 1998, only if all of the following conditions are met:
- a. The final state budget general fund appropriation and allocation to the CSU for fiscal year 1998/99 is no less than the level of the general fund appropriation to the CSU in the Governor's Budget for fiscal year 1998/99; and

- b. A final Agreement for the 1998-2001 Agreement is negotiated by the parties and all modifications, additions and deletions are agreed to and signed by August 4, 1998, and the Agreement is ratified no later than August 7, 1998.

24.5 In fiscal years 1999/2000 and 2000/2001, at the request of either party negotiations may be reopened pursuant to HEERA on Article 24 (Salaries) for fiscal years 1999/2000 and 2000/2001 in accordance with the timelines provided in Provision 31.3. During both fiscal years, the amount of funds dedicated for employees rated Exceeds Expectations shall be no less than 20% of the compensation increase pool.

Service-based Salary Increase

24.6 In fiscal year 1998/99, employees who successfully complete probation and who have not yet reached the Journey Level Salary Rate shall receive a Service-based Salary Increase of one and one-half percent (1.5%) effective on the first of the monthly pay period after permanent status is awarded.

Merit Pay

24.7 Salary increases shall be awarded in 1999/2000 and 2000/2001 based on the overall Performance Evaluation rating, provided funds dedicated to compensation increases for Unit 10 are negotiated for that year and any budget conditions negotiated by the parties are met.

If funds dedicated to compensation increases for Unit 10 under the conditions set forth above are available, such funds shall be distributed as follows:

- a. Twenty percent (20%) of the total funds available for compensation shall be distributed equally among those employees rated Exceeds Expectations.
- b. Employees rated Unsatisfactory will not receive an increase in pay and will be given appropriate discipline.
- c. All employees rated Needs Improvement, Meets Expectations, and Exceeds Expectations will receive an increase in base salary in an amount to be negotiated by the parties each year.

d. All employees rated Meets Expectations and Exceeds Expectations shall receive an additional increase calculated by:

1. determining the amount of funds (A) available for compensation, less (B) the total of any agreed upon SSI, the funds to be used for employees evaluated as Exceeds Expectations as provided in 24.7 a. above, the funds to be used for all employees evaluated as Needs Improvement, Meets Expectations, and Exceeds Expectations as provided in 24.7 c. above, and any other wage and benefit increases agreed upon by the parties (such as the increase in Sunday shift differential provided in 24.28):

[Formula is $A - B = F$ (funds available for D, below)]

2. dividing the amount of funds available for D by the number of employees who received ratings of Meets Expectations and Exceeds Expectations (E);

[Formula is $F/E = D$ (Number of Dollars available per person)]

3. dividing "D" (the number of dollars available per person) by the average salary for all Unit 10 represented employees to get the percentage award for all employees rated Meets or Exceeds Expectations;

[Formula is $D / \text{Avg. Salary} = \text{Award}$ (Percent to be awarded to all employees with performance evaluations of Meets or Exceeds Expectations)].

24.8 For the 1998/1999 fiscal year, provided funds are available as provided in 24.4, using the formula provided in 24.7:

- a. The pool of funds to be distributed only to those employees rated Exceeds Expectations (24.7a. above) shall be twenty percent (20%) of the total funds available for compensation (\$5,200, excluding associated benefit costs).
- b. Employees rated Unsatisfactory will not receive an increase in pay.
- c. Pursuant to 24.7.c. above, all employees rated Needs Improvement, Meets Expectations, and Exceeds Expectations will receive an increase equal to a one and two tenths percent (1.2%) increase in base salary.

d. All employees rated Meets Expectations and Exceeds Expectations shall receive an additional increase as calculated in 24.7.d. above.

- 24.9 Merit increases shall be awarded to employees as a percentage increase to base pay unless the employee is at the Performance Maximum for his/her classification. Once an employee reaches his/her Performance Maximum, any remaining or additional merit pay awards shall be in the form of a bonus (not a permanent increase in the base salary of the individual).
- 24.10 Merit increases shall be retroactive to July 1 each year for employees who are awarded a merit increase and who are on the active payroll when the increases are processed,
- 24.11 In addition to any amount negotiated by the parties for merit increases in any fiscal year, the campus may provide additional funds. Normally, merit increases shall be effective on July 1 of each fiscal year for which funds were negotiated or dedicated by the campus. The CSU shall provide to the Union no later than February 1 of each year, a list of individual employees receiving merit increases and the amount of each increase. If the total funds negotiated for fiscal year 1998/1999 are not allocated or encumbered by February 1, 1999, the Union and the CSU shall meet, no later than March 1, 1999, to negotiate regarding the unallocated or unencumbered funds.

Classification Changes

- 24.12 When an employee moves to a lower classification, in the same occupational group, the appropriate rate in the salary range shall be determined by the President by recognizing any previous service in the lower class and service in the higher classification.
- 24.13 When an employee moves to a lower classification in another occupational group, the appropriate rate in the salary range shall be determined by the President, except that in no case shall the new rate exceed the rate received in the higher classification. Determination of the appropriate rate in such cases shall be made by using the same criteria as would be used for an initial appointment to that classification.
- 24.14 When an employee moves without a break in service to a classification with a higher salary range, the appropriate rate in the salary range shall be at least 5% or higher if so determined by the President.

Payment Above the Journey Level Salary Rate
