California Polytechnic State University, San Luis Obispo

Name	Honors Program
Eligibility Criteria	Two of the following are required: SAT combined score of 1200/ACT composite score of 27; top 10 percent of graduating class, two Advanced Placement scores of 4; permission of the director of the Honors Program.
Application Procedure	Submit application, transcripts, two letters of recommendation, and a short personal essay to the Honors Program for review.
Key Elements	<p>Mission: Cal Poly’s Honors Program strives to incorporate students, faculty, and courses from all the many varied disciplines on campus. It builds relationships between all colleges and seeks to educate students in the connections between disciplines, from engineering to English, agriculture to art, or business to biology.</p> <p>Courses: Honors courses, taught in seminar format, are enriched with attention to the interdisciplinary nature of knowledge, and instruction moves at a pace appropriate for highly motivated students. Two honors courses per year are required.</p> <p>Cocurricular Activities: Honors Program students participate in a variety of educational experiences, including research projects with individual faculty members; community services projects; working as campus tutor with other students at Cal Poly; and engaging in “hands-on” learning at Hearst Castle and Cal Poly’s Swanton Pacific Ranch.</p> <p>Housing: Honors Program students may live in Honors House, an on-campus residence hall specially designed for academically motivated students. Programs include regular talks by faculty and local community leaders, quarterly Dinner with the Deans, and student-organized debate forums on campus issues.</p>
