Subject: Financial Aid – 2006-07 Cost of Attendance Allowances

At its November 17-18, 2005 meeting, the California Student Aid Commission (CSAC) adopted student expense budgets, Attachment A, for use by the Commission for 2006-07 Cal Grant programs. The budget allowances are based on statewide averages from the 2003-04 Student Expenses and Resources Survey (SEARS) data and adjusted to 2006-07 with the forecasted changes in the California Consumer Price Index (CPI) produced by the Department of Finance.

Attachment B reflects the 2006-07 Recommended Standard Student Budget Ranges for the California State University. These ranges were calculated using the 2003-04 SEARS data for CSU campuses and adjusting to 2006-07 based on the California CPI changes from 2003-04 through 2006-07 projections.

In order to determine the appropriate cost of attendance allowances for its students, each campus is encouraged to conduct regular assessments of expenses reasonably incurred by students in its immediate geographic area. The information reported in SEARS may also assist campuses in reviewing expenses for their students. Campuses may also consider consulting with neighboring postsecondary institutions to develop comparable budget standards. A copy of appropriate documentation regarding development of student cost of attendance allowances should be retained in files for potential review by auditors and program reviewers.

Please forward a copy of your campus 2006-07 costs of attendance (with updated 2006-07 campus fee detail) to Kristopher Stewart, Financial Aid Administrative Analyst, Academic Affairs, Student Academic Support, by February 17, 2005. Questions or comments may be directed to Mr. Stewart at (562) 951-4730 or kstewart@calstate.edu.
