**Subject: Revised Template for Degree Program Proposals
(Self-Support and State-Support Baccalaureate and Master's Programs)**

Please distribute, as appropriate, the revised template for proposing CSU baccalaureate and master's degree programs. The new format, enclosed as Attachment A, applies to programs offered through self-support and state-support modes.

Several groups of CSU constituencies contributed to revised template, which is intended to assist in the development of strong proposals that meet CSU policy, State law, CPEC expectations, and accreditation requirements and that are supported by well-documented, appropriate evidence. We offer our sincere thanks to members of the Academic Senate, CSU; Associate Vice Presidents of Academic Programs/Academic Affairs; Deans of Extended Education; and Deans of Graduate Education for their valuable suggestions. For questions regarding self-support programs and extended education issues, please contact Dr. Edward McAleer, State University Dean, Extended Education, at (562) 951-4795 or emcaleer@calstate.edu. For issues concerning the proposal process, please contact Dr. Christine Hanson, Interim Dean, Academic Program Planning, at (562) 951-4672 or chanson@calstate.edu.
