TO: CSU Presidents

Executive Vice Chancellor

SUBJECT: General Education Requirements Survey

In response to recent external inquiries about campus general education (GE) requirements, Chancellor White has requested current information on campus GE requirements and other non-major courses required for bachelor's degree completion. The attached chart allows each campus to report courses and units required, and to indicate where double counting is allowed. Please attach a rationale for instances in which campus GE requirements vary from systemwide minimum requirements.

We request that you send your campus' completed chart by Wednesday, September 14, 2016 to [GE@calstate.edu](mailto:GE@calstate.edu).

At the same time, we request that each campus review the general education requirements listed in catalogs and posted online and to revise as necessary to ensure clarity, completeness, and accuracy of information. Please direct any questions to Dr. Christine Mallon, Assistant Vice Chancellor for Academic Programs and Faculty Development and State University Dean of Academic Programs, who may be reached at [cmallon@calstate.edu](mailto:cmallon@calstate.edu) or (562)951-4722.

Thank you, in advance, for your cooperation in fulfilling this request.
