SUBJECT: Spring 2017 CSU Veterans Inventory

The California State University (CSU) Office of the Chancellor is conducting the annual Veterans Affairs Inventory Survey to collect quantitative and institutional characteristics data that will support required Integrated Postsecondary Education Data System (IPEDS) reporting. Survey questions are directed toward the campus' office for Veterans Services, but may require assistance from enrollment management, institutional research, student affairs and academic affairs.

The Veterans Affairs Inventory Survey can be found [here](#). Survey questions relate to military-affiliated students who attended the CSU during spring 2017. Campus designated respondents should read the survey questions first, gather the requested information, and then it will take approximately 30 minutes to fill in the survey report. Four weeks has been allotted for the entire process. Survey responses are due by the end of business on **Monday, November 27, 2017**.

If you have any questions, please contact Dr. Patrick C. O'Rourke, director, Active Duty and Veterans Affairs, at porourke@calstate.edu or by phone at (562) 951-4130.
