LOWER-DIVISION TRANSFER PATTERN California State University (CSU) Statewide Pattern

The Lower-Division Transfer Pattern (LDTP) consists of the CSU statewide pattern of coursework outlined below, plus campus-specific coursework, bringing the total pattern to at least 60 but no more than 70 transferable semester units for students to complete at a California Community College (CCC).

The CSU statewide pattern of coursework for CCC students who plan to major in Economics at any CSU campus offering the major includes:

- Completion of lower-division general education requirements, following either the CSU General Education Breadth (GE-Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) pattern;
- Completion of the CSU graduation requirements in United States History, Constitution and American Ideals; and
- Completion of six additional semester units as specified below in (3) and (4).

| CSU Statewide Pattern | Semester Unit Requirement |
|--|---|
| <p>(1) Complete lower-division general education requirements.</p> <p>Obtain a <i>certification of completion</i> of GE-Breadth or IGETC by the California Community College before transferring to a CSU campus.</p> <p>While completing general education, follow the course pattern stated below.</p> | <p>39 units for GE-Breadth</p> <p>Minimum grades of C are required in courses used to meet GE-Breadth Areas A and B4.</p> <p>or</p> <p>37 units for IGETC</p> <p>Minimum grade of C is required in each course used for IGETC.</p> |
| <p>(2) Complete the graduation requirements in United States History, Constitution and American Ideals.¹</p> <p>These are typically completed with one course each in American government and American history, or a sequence of courses that integrate the history and government topics.</p> <p>Students completing GE-Breadth should ordinarily use these courses to satisfy 6 units of Area D.</p> | <p>0 units required for GE-Breadth</p> <p>6 units for IGETC</p> <p>IGETC does <u>not</u> permit double counting of courses to meet IGETC <i>and</i> U.S. History, Constitution and American Ideals requirements.</p> |
| <p>(3) Complete the following courses:</p> <ul style="list-style-type: none"> • Introduction to Macroeconomics [CAN ECON 2] and • Introduction to Microeconomics [CAN ECON 4]. <p>One of these courses can be used to satisfy GE-Breadth Area D2 or IGETC Area 4B. These units are counted in (1).</p> | <p>0-3 units</p> <p>0-3 units</p> |
| <p>(4) Complete additional coursework as needed to bring total to 45 transferable semester units.</p> | <p>0-3 units</p> |
| <p>Total Semester Units Required for Statewide LDTP Pattern</p> | <p>45 Units (GE-Breadth)</p> <p>46 Units (IGETC)</p> |

¹ CCC courses that fulfill general education and graduation requirements in United States History, Constitution and American Ideals are listed at www.assist.org.

| | |
|---|-------------------|
| <ul style="list-style-type: none"> • A course that articulates with [CAN BUS 2], Financial Accounting | 0-3 units |
| (2) Complete additional coursework to bring total to 60 transferable semester units | 0-15 units |
| Total Semester Units Required for CSU Channel Islands | 15 units |

In addition to the statewide pattern, the following is the CSU Channel Islands campus-specific pattern for a **B.A. in Economics with an emphasis in International Economics**:

| Campus-Specific Pattern | Semester Unit Requirement |
|---|---|
| (1) If not taken as part of the statewide pattern (including general education and/or major preparation requirements), complete: <ul style="list-style-type: none"> • A course that articulates with [CAN MATH 18, CSUCI MATH 140], Calculus for Business Applications - An integrated course in analytic geometry and calculus in the context of business and economics applications, with functions, limits, derivatives, integrals and mathematical modeling used in problem solving in a decision-making context. For the <u>International Economics Emphasis</u>, also complete: <ul style="list-style-type: none"> • A course that articulates with Two courses in a foreign language (for example, CAN SPAN 2 and CAN SPAN 4, or CAN SPAN SEQ A) | <p>0-3 units</p> <p>0-6 units</p> |
| (2) Complete additional coursework to bring total to 60 transferable semester units | 0-15 units |
| Total Semester Units Required for CSU Channel Islands | 15 units |

In addition to the statewide pattern, the following is the CSU Channel Islands campus-specific pattern for a **B.A. in Economics with an emphasis in Quantitative Economics**:

| Campus-Specific Pattern | Semester Unit Requirement |
|--|---|
| (1) If not taken as part of the statewide pattern (including general education and/or major preparation requirements), complete: <ul style="list-style-type: none"> • A course that articulates with [CAN MATH 18, CSUCI MATH 140], Calculus for Business Applications - An integrated course in analytic geometry and calculus in the context of business and economics applications, with functions, limits, derivatives, integrals and mathematical modeling used in problem solving in a decision-making context. For the <u>Quantitative Economics Emphasis</u>, also complete: <ul style="list-style-type: none"> • A course that articulates with [CAN MATH SEQ A] | <p>0-3 units</p> <p>0-6 units</p> |
| (2) Complete additional coursework to bring total to 60 transferable semester units | 0-15 units |
| Total Semester Units Required for CSU Channel Islands | 15 units |
