

Psychology

LOWER-DIVISION TRANSFER PATTERN California State University (CSU) Statewide Pattern

The Lower-Division Transfer Pattern (LDTP) consists of the CSU statewide pattern of coursework outlined below, plus campus-specific coursework, bringing the total pattern to at least 60 but no more than 70 transferable semester units for students to complete at a California Community College (CCC).

The CSU statewide pattern of coursework for CCC students who plan to major in Psychology at any CSU campus offering the major includes:

- Completion of lower-division general education requirements, following either the CSU General Education Breadth (GE-Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) pattern except CSU GE Breadth AREA E;
- Completion of the CSU graduation requirements in United States History, Constitution and American Ideals; and
- Completion of additional semester units as specified in (3) below.

Please note that the information here is an academic and curricular advising tool: a roadmap that enables transfer students to efficiently and effectively progress towards the CSU baccalaureate degree in a specified discipline. California Community College students should work closely with their advisers when planning their academic program in preparation for transfer to the CSU.

This information does not represent any guarantee with regard to admission nor does it include or replace CSU campus admissions impaction criteria (see <http://www.calstate.edu/AR/impactioninfo.shtml>). These curricular guidelines are subject to change.

CSU Statewide Pattern	Semester Unit Requirement
<p>(1) Complete lower-division general education requirements.</p> <p>Obtain a <i>certification of completion</i> of CSU GE Breadth or IGETC by the California Community College before transferring to a CSU campus. While completing general education, follow the course pattern stated below.</p> <p><u>If necessary, a course that completes CSU GE Breadth AREA E will be specified in the LDTP Campus-Specific Patterns.</u></p> <p><i>A minimum grade of C is required in courses used to meet CSU GE Breadth AREAS A and B4.</i></p> <p><i>A minimum grade of C is required in each course used for IGETC.</i></p>	<p>36 units for CSU GE Breadth <i>or</i> 37 units for IGETC</p>
<p>(2) Complete the graduation requirements in United States History, Constitution, and American Ideals.</p> <p>These are typically completed with one course each in American government and American history, or a sequence of courses that integrate the history and government topics.</p>	<p>0-6 units</p>
<p>(3) Complete Introductory Psychology [CAN PSY 2].</p> <p><i>Courses used to satisfy this requirement may be used to satisfy CSU GE Breadth AREA D9 or IGETC Area 4I.</i></p>	<p>0-3 units</p>
<p>Total Semester Units Required for Statewide LDTP Pattern</p>	<p>36-46 Units</p>
<p><i>Recommended Coursework:</i></p>

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU Bakersfield Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Bakersfield campus-specific pattern in Psychology:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CSUB PSYC 100], Explorations in Psychology - While exploring the person as a conscious, behaving, social organism, students examine the theories, evidence, and scientific methods of psychology and the implications of the science of psychology for understanding the individual within society. <u>And</u> • A course that articulates with [CSUB PSYC 200], Introduction to Statistical Methods in Psychological Research - The use of basic statistical methods in designing and analyzing psychological experiments. <u>And</u> • A course that articulates with [CSUB PSYC 290], Psychology as a Profession - An introduction to the profession of psychology, including careers related to psychology. <u>And</u> • A course that articulates with [CSUB PSYC 291], Interpersonal and Group Process Skills -Covers reading and practice in skills for effective functioning in interpersonal and group settings. 	0-4 units 0-4 units 0-1 units 0-1 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU Channel Islands Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Channel Islands campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • Coursework that articulates with [CSUCI PSY/MATH 202], Biostatistics. <u>And</u> • Coursework that articulates with [CSUCI PSY 211], Cognition and Learning. <u>And</u> • Coursework that articulates with [CSUCI PSY 213], Developmental Psychology. <u>And</u> • Coursework that articulates with [CSUCI PSY 217], Theories of Personality. 	0-3 units 0-3 units 0-3 units 0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU Chico Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Chico campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with a course meeting the graduation requirement in Ethnic Studies. <u>And</u> 	0-3 units

<ul style="list-style-type: none"> • A course that articulates with a course that meets the graduation requirement in Non-Western Studies <u>And</u> • A course that articulates with [CSUC PSYC 261], Research Methods in Psychology - Aspects of psychological research process and research methods, including measurement and quantitative description of behavior, problem definition and hypothesis formation, major research approaches to psychological phenomena, bibliographic resource use, and professional report writing. 	0-3 units
	0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology LOWER-DIVISION TRANSFER PATTERN CSU Dominguez Hills Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Dominguez Hills campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CSUDH PSY 101], General Studies Psychology: Understanding Human Behavior - An introduction to psychology emphasizing the personal, cognitive and social development and functioning of the individual. <u>And</u> • A course that articulates with [CSUDH PSY 230], Elementary Statistical Analysis in Psychology - An introduction to Statistics in Psychology that covers the application of descriptive and inferential statistics to the design and analysis of psychological research. <u>And</u> • A course that articulates with [CSUDH PSY 235], Introduction to Research Methods. 	0-3 units
	0-3 units
	0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	
<i>Any other lower-division psychology units will not be used toward the Psychology major at CSU Dominguez Hills.</i>	

Psychology LOWER-DIVISION TRANSFER PATTERN CSU East Bay Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU East Bay campus-specific pattern for the B.A. in Psychology:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern, complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CSUEB PSYC 2020], Methods of Investigation in Psychology. <u>And</u> • A course that articulates with [CSUEB BIOL 1001 and 1002], Intro to Biology and Lab. 	0-3 units
	0-4 units
(2) If not taken as part of the statewide pattern, complete <u>one</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CSUEB STAT 1000], Elements of Probability and Statistics. <u>Or</u> • A course that articulates with Psychological Statistics (TCSU STAT 115). 	0-3 units
(3) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

In addition to the statewide pattern, the following is the CSU East Bay campus-specific pattern for the B.A. in Psychology with option in Industrial/Organizational Psychology:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern, complete the following: <ul style="list-style-type: none"> A course that articulates with [CSUEB PSYC 2020], Methods of Investigation in Psychology. 	0-3 units
(2) If not taken as part of the statewide pattern, complete <u>one</u> of the following: <ul style="list-style-type: none"> A course that articulates with [CSUEB STAT 1000], Elements of Probability and Statistics. <u>Or</u> A course that articulates with Psychological Statistics (TCSU STAT 115). 	0-3 units
(3) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

In addition to the statewide pattern, the following is the CSU East Bay campus-specific pattern for the B.A. in Psychology with option in Ergonomics and Human Factors:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern, complete <u>all</u> of the following: <ul style="list-style-type: none"> A course that articulates with [CSUEB PSYC 2020], Methods of Investigation in Psychology. <u>And</u> A course that articulates with [CSUEB CS 1160], Introduction to Computer Science and Programming Methods. <u>And</u> A course that articulates with [CSUEB MATH 1300], Trigonometry and Analytic Geometry. 	0-3 units 0-3 units 0-3 units
(2) If not taken as part of the statewide pattern, complete <u>one</u> from the following: <ul style="list-style-type: none"> A course that articulates with [CSUEB STAT 1000], Elements of Probability and Statistics. <u>Or</u> A course that articulates with Psychological Statistics (TCSU STAT 115). 	0-3 units
(3) If not taken as part of the statewide pattern, complete <u>one</u> from the following: <ul style="list-style-type: none"> Courses that articulate with [CSUEB PHYS 2701, 2702, and 2703], Intro Physics sequence. <u>Or</u> Courses that articulate with [CSUEB PHYS 1001, 1002, and 1003], General Physics sequence. 	0-12 units
(4) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology LOWER-DIVISION TRANSFER PATTERN CSU Fresno Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Fresno campus-specific pattern for the B.A. in Psychology:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete the following: <ul style="list-style-type: none"> A course that articulates with [CSUF PSYCH 36], Biological Psychology. <u>And</u> A course that articulates with [CSUF PSYCH 42], Psychological Statistics. 	0-3 units 0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	
<i>Although these electives may include additional psychology courses, these courses will generally not count toward the psychology major at CSU Fresno</i>	
<u>Recommended Coursework:</u>	
<ul style="list-style-type: none"> A course that articulates with a CSU-transferable English composition course beyond those taken to satisfy 	

general education requirements. Or

- A course that articulates with a CSU-transferable math or statistics course beyond those taken to satisfy general education requirements.

Psychology LOWER-DIVISION TRANSFER PATTERN CSU Fullerton Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Fullerton campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none">• A course that articulates with [CSUF PSYC 201], Psychological Statistics. <u>And</u>• A course that articulates with [CSUF PSYC 202], Introduction to Research Methods.	0-3 units 0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units. <i>Any other lower-division psychology units will not be used toward the Psychology major at CSU Fullerton.</i>	

Psychology LOWER-DIVISION TRANSFER PATTERN Humboldt State University Campus-Specific Pattern

In addition to the statewide pattern, the following is the Humboldt State University campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none">• A course that articulates with [HSU PSYC 104], Introduction to Psychology. <u>And</u>• A course that articulates with [HSU PSYC 241], Introduction to Statistics. <u>And</u>• A course that articulates with [HSU PSYC 242], Research Methods. <u>And</u>• A course that articulates with [HSU ENGL 100], Written Composition.	0-3 units 0-3 units 0-3 units 0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology LOWER-DIVISION TRANSFER PATTERN CSU Long Beach Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Long Beach campus-specific pattern for the B.A. in Psychology:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern, complete <u>all</u> of the following: <ul style="list-style-type: none">• A course that articulates with [CSULB PSY 210], Introductory Statistics. <u>And</u>• A course that articulates with [CSULB PSY 220], Research Methods. <u>And</u>• A course that articulates with [CSULB PSY 241], Psychobiology.	0-4 units 0-4 units 0-3 units
(2) If necessary complete additional coursework to bring total to 60 transferable semester units.	

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU Los Angeles Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Los Angeles campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with a second semester of expository writing that emphasizes exposition, research, and critical thinking, typically called “Writing and Critical Thinking” (as opposed to “Literature and Composition”). <u>And</u> • A course that articulates with [CSULA PSY 202], Descriptive Statistics - An introduction to Statistics in Psychology that covers basic numerical and graphical methods in psychology; statistical notation, data presentation, measures of central tendency, dispersion and co-variation, and probability. <u>And</u> • A course that articulates with [CSULA PSY 170], Introduction to Biological Psychology. <u>And</u> • A course that articulates with [CSULA MATH 102], College Algebra - Logarithmic and exponential functions; polynomial equations; permutations, combinations, and probability; sequences and series; matrices and determinants. 	0-3 units 0-3 units 0-3 units 0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology
LOWER-DIVISION TRANSFER PATTERN
California Maritime Academy Campus-Specific Pattern

This campus does not have a major, concentration, or option in Psychology.

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU Monterey Bay Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Monterey Bay campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> the following: <ul style="list-style-type: none"> • A course that articulates with [CSUMB PSY 200], Introduction to Research Methods and Data Analysis - Introduction to the design, analysis, and critique of different experimentation methods in psychology. Students will demonstrate the ability to assess published research and express arguments orally and in writing according to the professional standards, such as the APA Publication Manual. Students will demonstrate the ability to conduct hypothesis testing using the scientific process and appropriate statistical data analyses. <u>And</u> • A course that articulates with [CSUMB PSY 200L], Research Methods Lab - Computer laboratory to accompany PSY 200. Various research laboratory exercises and training in statistics and computer data analyses. 	0-3 units 0-1 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU Northridge Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Northridge campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CSUN PSY 150], Principles of Human Behavior – A course that covers the basic conceptual framework for studying the cognitive, emotional, and social aspects of human activity. <u>And</u> • A course that articulates with [CSUN PSY 250], Physiological Correlates of Human Behavior - A course that covers a greater understanding of the relationship between human behavior and human physiology. <u>And</u> • A course that articulates with [CSUN MATH 140], Introductory Statistics - An introductory statistics course that covers methods for displaying, describing, and producing data; normal distribution; correlation and regression; sampling distributions and probability; statistical inference for means and proportions. 	0-3 units 0-3 units 0-4 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	

Psychology
LOWER-DIVISION TRANSFER PATTERN
Cal Poly Pomona Campus-Specific Pattern

In addition to the statewide pattern, the following is the Cal Poly Pomona campus-specific pattern in Psychology:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CPP STA 120], Statistics with Applications. <u>And</u> • A course that articulates with [CPP PSY 210], Mind, Brain and Behavior. <u>And</u> • A course that articulates with [CPP BHS 204], Methods in Behavioral Science I. <u>And</u> • A course that articulates with [CPP SOC 201], Introduction to Sociology. <u>And</u> • A course that articulates with [CPP PHL 202], Critical Thinking. 	0-3 units 0-3 units 0-3 units 0-3 units 0-3 units
(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.	
<i>Any other lower-division psychology units will not be used toward the Psychology major at Cal Poly Pomona.</i>	

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU Sacramento Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU Sacramento campus-specific pattern:

Campus-Specific Pattern
(1) If necessary, complete additional coursework to bring total to 60 transferable semester units.

Psychology
LOWER-DIVISION TRANSFER PATTERN
CSU San Bernardino Campus-Specific Pattern

In addition to the statewide pattern, the following is the CSU San Bernardino campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CSUSB ENGL 101], English Freshman Composition - A course that covers the processes of writing and critical reading to communicate, generate thinking, and to examine assumptions. <u>And</u> • A course that articulates with [CSUSB PSYC 210], Psychological Statistics. <u>And</u> • A course that articulates with a lower-division elective in Developmental Psychology. 	0-3 units 0-3 units 0-3 units
(2) If not taken as part of the statewide pattern complete at least <u>one</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [CSUSB MATH 110], College Algebra - Functional notation, graphs and inverses of linear, polynomial, and rational functions, rational exponents, arithmetic and geometric progressions, logarithmic and exponential functions, systems of linear equations. <u>Or</u> • A course that articulates with [CSUSB MATH 115], The Ideas of Mathematics - Sets and their applications to topics in discrete mathematics that will include enumeration techniques and finite probability spaces. <u>Or</u> • A course that articulates with [CSUSB MATH 120], Pre-Calculus Mathematics - Trigonometric functions, trigonometric identities, right angle trigonometry, complex numbers, conic sections, binomial theorem, induction. <u>Or</u> • A course that articulates with [CSUSB MATH 192], Methods of Calculus - A short course in calculus with emphasis on applications. <u>Or</u> • A course that articulates with [CSUSB MATH 211], Basic Concept of Calculus - An introduction to limits and continuity, differentiation of functions in one variable (including trigonometric functions) and antiderivatives with applications. 	0-3 units
(3) If necessary, complete additional coursework to bring total to 60 transferable semester units. <i>Any other lower-division psychology units will not be used toward the Psychology major at CSU San Bernardino.</i>	

Psychology
LOWER-DIVISION TRANSFER PATTERN
San Diego State University Campus-Specific Pattern

In addition to the statewide pattern, the following is the San Diego State University campus-specific pattern. The B.A. in Psychology is an impacted major. The below information does not represent any guarantee with regard to admission nor does it include or replace SDSU's campus admissions impact criteria. Please refer to <http://www.calstate.edu/AR/impactioninfo.shtml> for SDSU's impact criteria.

Campus-Specific Pattern	Semester Unit Requirement
(1) If not taken as part of the statewide pattern, complete <u>all</u> of the following: <ul style="list-style-type: none"> • A course that articulates with [SDSU PSY 201], Academic and Career Opportunities in Psychology. <u>And</u> • A course that articulates with [SDSU PSY 211], Learning - A course that covers basic principles and research in animal and human learning. <u>And</u> • A course that articulates with [SDSU PSY 230], Developmental Psychology - A course that covers the psychological development of a normal individual from conception through childhood, adolescence, and maturity. <u>And</u> 	0-1 unit 0-3 units 0-3 units

<ul style="list-style-type: none"> • A course that articulates with [SDSU PSY 260], Introduction to Physiological Psychology - Elementary physiology of the nervous system. Physiological mechanisms underlying the psychological phenomena of sensation, perception, emotion, arousal, motivation, learning and memory, and cortical specialization. <u>And</u> • A course that articulates with [SDSU PSY 270], Statistical Methods in Psychology - Quantitative methods in psychology for producing, analyzing, and interpreting data. Sampling, basic research designs, describing distributions through graphs and quantitative indices, linear correlation and regression, applications of normal probability curve, confidence intervals, and tests of significance. <u>And</u> • A course that articulates with [SDSU PSY 271], Data Analysis in Psychology - A course that covers statistical and graphic analysis and interpretation of psychological data using computer technology. Activities involve statistical software such as SPSS for Macintosh (Windows) as well as standard spreadsheets. <u>And</u> • A course that articulates with [SDSU BIOL 100], General Biology - A course in biology stressing processes common to living organisms. 	<p>0-3 units</p> <p>0-3 units</p> <p>0-1 unit</p> <p>0-3 units</p>
<p>(2) The Psychology major is a Liberal Arts and Sciences degree and requires students to meet the following language requirement:</p> <ul style="list-style-type: none"> • Competency (successfully completing the third college semester or fifth college quarter - or equivalent) is required in one foreign language. 	<p>0-12 units</p>
<p>(3) If necessary, complete additional coursework to bring total to 60 (but not more than 70) transferable semester units. Coursework not taken at the community college must be completed at SDSU.</p>	

Psychology
LOWER-DIVISION TRANSFER PATTERN
San Francisco State University Campus-Specific Pattern

In addition to the statewide pattern, the following is the San Francisco State University campus-specific pattern:

Campus-Specific Pattern	Semester Unit Requirement
<p>(1) If not taken as part of the statewide pattern complete <u>all</u> of the following:</p> <ul style="list-style-type: none"> • A course that articulates with [SFSU ENG 114], First Year Written Composition - Training in expository-argumentative composition, emphasizing work on clear and effective sentences and the organization and development of paragraph and essay. <u>And</u> • A course that articulates with [SFSU ENG 214], Second Year Written Composition - Expository-argumentative composition and critical reading skills through the study of literature; special attention to logic, style, and rhetoric. <i>A minimum grade of C is necessary in courses used to meet this requirement.</i> 	<p>0-3 units</p> <p>0-3 units</p>
<p>(2) If not taken as part of the statewide pattern complete <u>at least one</u> of the following:</p> <ul style="list-style-type: none"> • A course that articulates with [SFSU PSY 171], Quantitative Reasoning in Psychology – A course that covers topics in psychological statistics and measurement essential to understanding statistical and quantitative arguments. <u>Or</u> • A course that articulates with [SFSU MATH 124], Elementary Statistics – A course that covers topics in data analysis, probability, and statistical inference. For students in any field where statistics is a means of communication and a tool for decision making. <u>Or</u> • A course in College Algebra - An algebra course beyond the intermediate level that covers topics in polynomials and rational expressions; radicals and rational exponents; complex numbers; equations and inequalities; distance formula, lines, and circles; geometric transformations and conic sections; real functions and their graphs; one-to-one and inverse functions; roots of polynomials; linear systems and matrices; topics in discrete mathematics. <i>A minimum grade of C is necessary in courses used to meet this requirement.</i> 	<p>0-3 units</p>
<p>(3) If necessary, complete additional coursework to bring total to 60 transferable semester units.</p>	

Psychology
LOWER-DIVISION TRANSFER PATTERN
San José State University Campus-Specific Pattern

In addition to the statewide pattern, the following is the San José State University campus-specific pattern for the B.A. or B.S. in Psychology:

Campus-Specific Pattern	Semester Unit Requirement
<p>(1) If not taken as part of the statewide pattern, complete courses from the following to bring total up to 60, and not more than 70 transferable semester units:</p> <ul style="list-style-type: none"> • A course that articulates with [SJSU ENGL 001B], Composition 2, or an equivalent 2nd Semester English Composition course approved for IGETC Area 1B. A minimum grade of C or higher is required in courses used to meet this requirement. <u>And</u> • Physical Activity. Two units taken in at least two different activities. <u>And</u> • A course that articulates with [SJSU PSYC 030], Introductory Psychobiology. <u>And</u> • A course that articulates with [SJSU STAT 095], Elementary Statistics. 	<p>0-3 units</p> <p>0-2 units</p> <p>0-3 units</p> <p>0-3 units</p>
<p>(2) If necessary, complete additional coursework to bring total to 60 transferable semester units.</p> <p><i>The additional courses to complete the 60 semester units, outside of those needed to complete lower-division GE requirements are electives. They may or may not include any additional psychology courses. No more than 12 units of lower-division psychology electives (Including up to 4 semester units of introductory statistics) will count toward the requirements of the major at SJSU. Additional units may, however, count towards the total units required for graduation and/or partially fulfill the requirements of the required minor (which can be in any discipline).</i></p>
