Subject: November 2004 Senate Resolution

Thank you for forwarding the packet of resolutions heard on initial reading / adopted by the Academic Senate of The California State University at its meeting on November 11-12, 2004. I am pleased to provide the response below.

Commendation for CSU Voter Registration Efforts

We agree that non-partisan efforts to encourage student voter registration contribute to the goal of fostering their civic engagement. We appreciate the Senate's commendation of the CSU community for its efforts in this vein. We hope that faculty and student groups will continue to foster student civic engagement, by encouraging voter registration and in other ways.
