

Joint Doctoral Degree Programs

Policy

The CSU is authorized to offer joint doctoral degrees only with the University of California and with independent institutions of higher education in California. Joint doctoral degrees shall not be offered with out-of-state, out-of-country partners, nor with for-profit partners in California.

California Education Code section 66010.4(b)

The doctoral degree may be awarded jointly with the University of California, as provided in subdivision (c) and pursuant to Section 66904. The doctoral degree may also be awarded jointly with one or more independent institutions of higher education, provided that the proposed doctoral program is approved by the California Postsecondary Education Commission.

California Education Code section 66010(b)

As used in this part, “independent institutions of higher education” are those nonpublic higher education institutions that grant undergraduate degrees, graduate degrees, or both, and that are formed as nonprofit corporations in this state and are accredited by an agency recognized by the United States Department of Education.
