

## CCC-to-CSN Nursing Education Pathways Project Checklists

### Legislative Requirements (Ed Code 89267.5)

Requirement	In Progress	Date Completed
By August 2012, articulated CCC-to-CSU ADN-to-BSN nursing pathways shall be implemented.	√	
CSU shall not require courses with content that duplicate RN licensure requirements	√	
CSU shall not require courses with content that student completed for ADN	√	
CSU shall not require prerequisite courses with content that duplicates ADN content	√	
LAO submits implementation status report to Legislature and Governor by 3/15/11	LAO	LAO

### Implementation Strategies

Requirement	Segment Responsible	In Progress	Date Completed
1. Identify content required for RN licensure	CCC & CSU	√	
2. Identify content required for ADN	CCC & CSU		
3. Identify content unique to BSN (no RN or ADN crossover)	CCC & CSU	√	
4. Identify pathway challenges	CCC & CSU	√	
5. Identify possible solutions	CCC & CSU	√	
6. Make CCC ADN General Education requirements align with CSU General Education-Breadth (CSUGE-B) requirements	CCC		
7. Identify mechanisms that validate prior learning from RN licensure content and ADN content taken at CCC, translating to specified number of university lower-division and/or upper-division BSN program credits	CSU	√	
8. Complete ADN-to-BSN Articulated Nursing Pathways Roadmaps	CCC & CSU		
9. Confirm existing articulation of community college courses in pathways	CCC		
10. Submit course outlines for campus-to-campus articulation	CCC		
11. Review submitted courses for articulation	CSU		
12. Submit course outlines for CSU GE-Breadth review	CCC		
13. Review course outlines for CSU systemwide GE approval	CSU		
14. Create Web site to feature Nursing Pathways Roadmaps	CSU	√
