

Nursing Generic (Basic) Nursing Programs (not ADN to BSN)

LOWER-DIVISION TRANSFER PATTERN California State University (CSU) Statewide Pattern

The Statewide transfer pattern for nursing does not include the completion of General Education Requirements for the CSU, either CSU Breadth or IGETC, and does not include the completion of the statutory requirements in United States History, Constitution and American Ideals. Because of the nature of the nursing programs, an LDTP of less than 60 units is presented. There are no additional local requirements. Students should expect to transfer to a particular CSU after the requirements below are completed.

Please note that the information here is an academic and curricular advising tool: a roadmap that enables transfer students to efficiently and effectively progress towards the CSU baccalaureate degree in a specified discipline. California Community College students should work closely with their advisers when planning their academic program in preparation for transfer to the CSU.

This information does not represent any guarantee with regard to admission nor does it include or replace CSU campus admissions impactation criteria (see <http://www.calstate.edu/AR/impactioninfo.shtml>). These curricular guidelines are subject to change.

Note: Completing this pattern prepares students for entry to pre-nursing as a lower -division transfer student. When the campus impactation criteria are met, the student is eligible for the nursing major. There are no local campus requirements. Students should expect to transfer after the statewide requirements are met.

CSU Statewide Pattern	Semester Unit Requirement
<p>(1) Complete the lower- division general graduation requirements.</p> <ul style="list-style-type: none"> • A course that articulates with CSU GE Breadth AREA A1, Oral Communication. <u>And</u> • A course that articulates with CSU GE Breadth AREA A2, Written Communication. <u>And</u> • A course that articulates with CSU GE Breadth AREA A3, Critical Thinking. <u>And</u> • A course that articulates with CSU GE Breadth Area B4, a Statistics course. <p><i>A minimum grade of C is required in courses used to meet CSU GE Breadth AREA A and CSU GE Breadth AREA B4.</i></p>	<p>0-3 units</p> <p>0-3 units</p> <p>0-3 units</p> <p>0-3 units</p>
(2) Complete General Anatomy, with Lab, [CAN BIOL 10].	0-4 units
(3) Complete General Physiology, with Lab, [CAN BIOL 12].	0-4 units
(4) Complete Principles of Microbiology, with Lab, [CAN BIOL 14].	0-4 units
