## CONSTRUCTION PROJECTS

---

For the 2005/06 fiscal year, construction auditing was performed for the California State University under a contract with KPMG. Six major construction projects were reviewed with coordination from the Office of the University Auditor. Areas under review included construction bid process, contractor compliance – subcontracting practices, construction change orders, design costs, project management inspection services, accounting, liquidated damages, and major equipment/materials review.

The projects under review included the following:

California State University, Fresno – *Science II Replacement Building*

California State University, Monterey Bay – *North Quad Student Housing Phase I Project*

California State Polytechnic University, Pomona – *University Village – Phase III*

San Jose State University – *Campus Village Student/Faculty Apartments*

California State University, San Marcos – *Academic Hall Building 13 (Business Building)*

California State University, Fullerton – *Auditorium and Fine Arts Facility*

The results of these reviews follow.
